The existence at any point in time of walls, entrance features, landscape screens, or berms or other improvements or facilities (including Recreational Facilities) is not a guaranty or promise that such items will remain or form part of WINGATE LANDING as finally developed.

3.2 Governing Documents. The Governing Documents create a general plan of development for WINGATE LANDING that may be supplemented by additional covenants, restrictions and easements applicable to particular areas within WINGATE LANDING. In the event of a conflict between or among the Governing Documents and the additional covenants or restrictions, and/or the provisions of any other articles of incorporation, bylaws, rules or policies, the Governing Documents shall control. All provisions of the Governing Documents shall apply to all Owners, Lessees, Immediate Family Members and to all occupants of Homes, as well as their respective guests and invitees. Any Lease Agreement for a Home within WINGATE LANDING shall provide that the Lessee and all occupants of the leased Home shall be bound by and comply with the terms of the Governing Documents. No amendment shall alter the provisions of this Declaration regarding the specific rights and obligations of Lenders without the prior approval of the Lender(s) enjoying the benefit of such provisions. If the prior written approval of any amendment to this Declaration by any governmental entity or governmental agency having jurisdiction over WINGATE LANDING is required by applicable law or governmental regulation or land use or development condition of approval affecting WINGATE LANDING then the prior written consent of such governmental entity or governmental agency must also be obtained. All amendments affecting the SWMS or any Conservation Easement Property must comply with Section 25.2 which benefits SJRWMD pursuant to the Permit. No amendment shall be effective until it is recorded in the Public Records.

4.2 No Vested Rights. Each Owner by acceptance of a deed to a Home irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents, except as expressly provided by applicable law as it exists on the date this Declaration is recorded.

4.3 Amendments Prior to the Turnover. Prior to the Turnover, Declarant shall have the right to amend this Declaration as it deems appropriate, without the joinder or consent of any

person or entity whatsoever, except as expressly limited by applicable law as it exists on the date this Declaration is recorded or except as expressly set forth herein. Declarant's right to amend under this provision is to be construed as broadly as possible. By way of example, and not as a limitation, Declarant may create easements over, under and across Lots conveyed to Owners provided that such easements do not materially and adversely impact the use of Homes on such Lots as residential dwellings or the proposed improvement or use of such Lots, Parcels or Common Areas. In the event the Association shall desire to amend this Declaration prior to the Turnover, the Association must first obtain Declarant's prior written consent to any proposed amendment, which can be withheld in Declarant's sole discretion. Thereafter, an amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records. To the extent legally required, each Owner shall be deemed to have granted to Declarant and, thereafter, the Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

4.4 Amendments From and After the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth herein, this Declaration may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the Members of the Association at which there is a quorum.

4.5 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the Turnover, the Declarant shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with, such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, any Lender, or any other party shall be required or necessary to such amendment. After the Turnover, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, any Lenders or any other party shall be required or necessary to any such amendments by the Board.

Except for applicable governmental approvals (if any), no consent to such annexation shall be required from any other party other than the owners of such lands (including, but not limited to, the Association, Owners or any Lenders), except as provided herein. Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of WINGATE LANDING at the time of execution and recordation of this Declaration. Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Declarant and as may be necessary to reflect the different character, if any, of the annexed lands. Except as otherwise provided herein, prior to the Community Completion Date, only Declarant may add additional lands to WINGATE LANDING.

5.2 Annexation by the Association. After the Community Completion Date, and subject to applicable governmental approvals (if any) required for same and the joinder of the owners of the annexed lands, additional lands may be annexed with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at duly noticed meeting of the Members of the Association at which there is a quorum.

5.3 Withdrawal. Prior to the Community Completion Date, any portions of WINGATE LANDING (or any additions thereto) may be withdrawn by Declarant from the provisions and applicability of this Declaration by the recording of an amendment to this Declaration in the Public Records which amendment shall require the joinder and consent of the owner of record title to such lands being withdrawn if other than Declarant. The right of Declarant to withdraw portions of WINGATE LANDING shall not apply to any Lot that has been conveyed to an Owner unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner is obtained. Except as provided above, the withdrawal of any portion of WINGATE LANDING shall not require the consent or joinder of any other party (including without limitation, the Association, Owners, or any Lenders). Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. 5.5 Future Development Tracts. The Plat may from time to time include Parcels designated as Future Development Tracts or similar term indicating that such Parcels are set aside for future development (each a "Future Development Tract"). At Declarant's sole discretion, prior to the Community Completion Date, all or any portion of any Future Development Tract may be replatted into Lots or Common Areas, withdrawn from the provisions and applicability of this Declaration or dedicated to the City or any other governmental agency. Upon replatting of such Future Development Tract into Lots or Common Areas, such Parcels shall automatically convert

to and be treated as Lots and Common Areas, respectively, under this Declaration for all purposes without the need for (i) recordation of a Supplemental Declaration or Amendment to this Declaration to confirm or effect same or (ii) the joinder and consent of the Association or any Owners to same. Future Development Tracts shall not be subject to Assessments as provided under Section 17 until same have been platted into Lots.

6.1 Generally. In event of dissolution of the Association, the SWMS shall be transferred to and maintained by one of the entities identified in sections 12.3.1(a) through (f), who has the powers listed in section 12.3.4(b)1. through 8., the covenants and restrictions required in section 12.3.4(c)1. through 9., and the ability to accept responsibility for the operation and maintenance of the SWMS described in section 12.3.4(d)1. or 2. all of SJRWMD's Environmental Resource Permit Applicant's Handbook Volume I (General and Environmental). In addition to and not in place of the preceding sentence, in the event of the dissolution of the Association without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, WINGATE LANDING and each Lot therein shall continue to be subject to the provisions of this Declaration, including without limitation, the provisions respecting Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section only shall apply with regard to the maintenance, operation, and preservation of those portions of WINGATE LANDING that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

## 7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Notwithstanding the preceding sentence, prior to any such termination of the Declaration, ownership of the portion of the SWMS owned by the Association and the responsibility for the operation and maintenance of the SWMS must be transferred to and accepted by an entity in accordance with the rules and regulations of SJRWMD and any such transfer and acceptance must

be approved in writing by SJRWMD. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's title to that Home or Lot, shall terminate the Owner's rights to use and enjoy the Common Areas and shall terminate such Owner's Membership in the Association. An Owner's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with, the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including without limitation, payment of all Assessments accruing prior to the date of transfer.

### 7.3 Membership and Voting Rights

7.3.1 In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner shall be a Member of the Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to and may not be separated from the ownership of a Lot. Declarant rights with respect to Membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting Membership:

7.3.1.1 Class A Members. Class A Members shall be all Owners. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be Members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.1.2 Class B Member. Declarant shall be the Class B Member and shall be entitled to ten (10) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any Parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such Parcel owned by Declarant, until such time as the Parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "Turnover" shall mean the transfer of control and operation of the Association by the Declarant to Owners. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. At the Turnover meeting, Owners shall elect a majority of the Directors. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the

Association shall notify in writing all Class A Members of the date, location, and purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

7.3.1.2.1 When ninety percent (90%) of the Lots ultimately planned for WINGATE LANDING are conveyed to Owners other than Declarant; or

7.3.1.2.2 When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur.

7.3.1.2.3 as otherwise required under the Florida Statutes.

7.3.1.3 Declarant Election of Director. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for WINGATE LANDING out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Rights of Declarant. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of WINGATE LANDING for various public purposes or for the provision of Community Services and Community Systems, or to make any portions of WINGATE LANDING part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of WINGATE LANDING. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN WINGATE LANDING. DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL PORTIONS OF WINGATE LANDING

(INCLUDING COMMON AREAS AND RECREATIONAL FACILITIES) OR TO MODIFY, RELOCATE OR ELIMINATE COMMON AREAS OR RECREATIONAL FACILITIES AT ANY TIME WITHOUT NOTICE AND AT ITS DISCRETION.

9. Common Areas. Common Areas shall include the following Tracts in the Plat:

- Tracts A and J – Buffer Tracts
- Tracts B and C – Active Recreation Tracts
- Tracts E and H – SWMF Tracts
- Tract F – Open Space Tract
- Tracts G and I – Conservation Tracts

Common Areas shall also include Tracts 37 and 47 of the Bradley Pond Unit 2 Plat.

Common Areas shall also include, without limitation, (i) all Parcels or Tracts dedicated or conveyed to the Association by any Plat or by separate instrument recorded in the Public Records, (ii) all Private Drainage Easements, Conservation Easements, Access and Maintenance Easements, Landscape Easements and Drainage Swale Easements, and (iii) all easements granted to the Association in the Plat, by this Declaration or by separate instrument, and such Parcels, Tracts and easements are hereby dedicated and granted to the Association.

9.1 Prior to Conveyance. Prior to the conveyance of the Common Areas to the Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as Declarant in its sole discretion deems appropriate. During such period, Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. The current conceptual plans and/or representations, if any, regarding the composition of the Common Areas are not a guarantee of the final composition of the Common Areas. No party should rely upon any statement contained herein as a representation or warranty as to the extent of the Common Areas to be constructed by Declarant and owned and operated by the Association as part of WINGATE LANDING. Declarant, so long as it controls Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice.

9.2 Construction of Common Areas Improvements. Declarant anticipates it will construct, at its sole cost and expense, certain improvements as part of the Common Areas as Declarant determines in its sole discretion, including without limitation, passive parks and active recreation areas (collectively, the “Recreational Facilities”). Declarant shall be the sole judge of the composition of any Common Area improvements comprising the Recreational Facilities. Prior to the Community Completion Date, Declarant reserves the absolute right to construct additional Common Area improvements (including Recreational Facilities) within WINGATE LANDING, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries,

facilities and improvements now or then part of the Common Areas (including Recreational Facilities) for the use and benefit of Declarant, Owners, Lessees and their respective (as applicable) Immediate Family Members, guests and invitees as provided in and subject to the Governing Documents. Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements or Recreational Facilities. Declarant is the sole judge of the Common Area improvements and Recreational Facilities, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property (e.g., furniture), color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to the Association by quitclaim deed or other instrument of conveyance as determined by the Declarant in its sole and absolute discretion. Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein, and Association shall, and does hereby, indemnify and hold Declarant and the Declarant Indemnified Parties harmless on account thereof. Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. Association shall accept any and all transfer of permits and development agreements from Declarant, or any other permittee, of any permit or development agreement required by a governmental agency in connection with the development of WINGATE LANDING or operation of WINGATE LANDING, including, without limitation, the Permit, as same may be modified and/or amended. Association shall cooperate with Declarant, or any other permittee of such permits or party to such development agreements, as same be modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits and development agreements to the Association and the Association's assumption of all obligations thereunder. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF SUCH COMMON AREAS PERSONAL PROPERTY, EQUIPMENT AND APPURTENANCES BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an

irrevocable ingress and egress easement in favor of each Owner granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

9.4.2.3 perpetual non-exclusive easements in favor of Declarant, its successors, and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of Declarant, and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 the terms and conditions of the Governing Documents and all other restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event that Association believes that Declarant shall have failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Once the Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 8 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association acknowledges and agrees that Association's failure to give the notice and/or otherwise comply with the provisions of this Section will irretrievably damage Declarant; and

9.4.2.6 a reservation of right in favor of Declarant (so long as Declarant owns any portion of WINGATE LANDING) to require that Association re-convey all or a portion of the Common Areas by quitclaim deed in favor of Declarant in the event that such property is required to be owned by Declarant for any purpose, including without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, Association shall be deemed

to have granted to Declarant an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, and subject to the approval rights of the SJRWMD and the City under Section 25.1.7 below with respect to Common Areas containing or affecting the SWMS, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, (a) the approval of a majority of the Board; and (b) the written consent of Declarant, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51 %) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces, including but not limited to driveways, parking areas, pathways, bicycle paths, and sidewalks forming a part of the Common Areas, if any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for a periodic inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses of the Association. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work and shall be an Operating Expense of the Association.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Declarant, its affiliates and/or subsidiaries shall have the right and option to manage Association at all times prior to Turnover. Owners and Association acknowledge that it is fair and reasonable to have Declarant, its affiliates and/or subsidiaries manage the Association prior to Turnover. Further, in the event that Common Area is created by easement, Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. Except as provided herein, the Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, Members of the Association) entitled to use those portions of the Common Areas as provided in this Declaration subject to the Rules and Regulations applicable with respect to same. Prior to the Community Completion Date, Declarant, and thereafter, Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The

granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Community Service Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Water Levels and Water Quality in Retention Areas, Lakes and Water Bodies. NEITHER THE DECLARANT NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER QUALITY OR WATER LEVELS IN ANY OF THE RETENTION AREAS OR ANY LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES WITHIN, ADJACENT TO OR AROUND WINGATE LANDING ; PROVIDED, FURTHER, NEITHER THE DECLARANT NOR THE ASSOCIATION SHALL BEAR ANY RESPONSIBILITY FOR OR BE OBLIGATED TO ATTEMPT TO ADJUST OR MODIFY SUCH WATER QUALITY OR WATER LEVELS SINCE SUCH WATER QUALITY AND WATER LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER, RAINFALL FLUCTUATIONS, SEDIMENTS AND CONSTITUENTS IN STORMWATER RUNOFF AND OTHER FACTORS THAT ARE BEYOND THE CONTROL OF THE DECLARANT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER QUALITY AND WATER LEVELS OF ALL SUCH RETENTION AREAS, LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES MAY VARY. THERE IS NO GUARANTEE BY DECLARANT OR ASSOCIATION THAT WATER QUALITY OR WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT; AT TIMES WATER LEVELS MAY BE MUCH HIGHER THAN OTHER TIMES. DECLARANT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION AREAS, LAKES, PONDS, CANALS, CREEKS, MARSH AREA OR OTHER WATER BODIES WITHIN, ADJACENT TO OR AROUND WINGATE LANDING.

9.8.4 Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association.

9.8.5 Assumption of Risk. Without limiting any other provision herein, each Owner, for themselves, their Lessees, and for the Immediate Family Members, guests and

invitees of such Owner or their Lessees, and each member of the general public accessing or using any Common Areas (regardless of whether such access or use is permitted under this Declaration or otherwise) accepts and assumes all risk and responsibility for noise, liability, injury, death or damage connected with use or occupancy of any portion of such Common Areas including, without limitation: (i) noise from maintenance equipment; (ii) use of pesticides, herbicides and fertilizers; (iii) view restrictions and impairment caused by the construction of any structures and/or the maturation of trees and shrubbery; (iv) reduction in privacy caused by the removal or pruning of shrubbery or trees within WINGATE LANDING; (v) illness, health or safety hazards resulting from contact with or ingestion of any plant life within any portion of WINGATE LANDING, including thorns, conditions causing skin irritation, rashes or other illnesses, diseases or injuries resulting from contact with or ingestion of any such plant life; (vi) illnesses or injuries arising from use of the Common Areas, including the Recreational Facilities, or participation in any activities upon the Common Areas, including the Recreational Facilities, whether same are organized or conducted by the Declarant, the Association or otherwise; and (vii) design of any portion of WINGATE LANDING. Each such person also expressly indemnifies and agrees to defend and hold harmless the Indemnified Parties from any and all losses, liabilities, costs, damages and expenses, whether direct or consequential, arising from or related to the person's use of the Common Areas, including for attorneys' fees, paraprofessional fees and costs before trial, at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas, including, without limitation, the Recreational Facilities and all Retention Areas, lakes, canals or areas adjacent to any water body, do so at their own risk. Nothing herein shall be deemed to grant any such Owner, Lessee, Immediate Family Member, guest, invitee or member of the general public any rights of access to or use of any such Retention Area, lake, or canal or water body unless such right is expressly granted by this Declaration or the Association, and all such access and use shall be subject to the Rules and Regulations applicable with respect to same. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE SUCH AS INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, BEARS AND FOXES AND HAZARDOUS PLANT LIFE. DECLARANT AND THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR PLANT LIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE OR PLANT LIFE. EACH OWNER OR LESSEES AND HIS OR HER IMMEDIATE FAMILY MEMBERS, GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

9.8.6 Owners' Obligation to indemnify. Each Owner agrees to indemnify and hold harmless the Indemnified Parties against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas, including, without limitation, use of the Common Areas and Retention Areas and lakes and canals within and adjacent to WINGATE LANDING by Owners and Lessees, and their Immediate Family Members, guests, invitees or agents. Should any Owner bring suit against Declarant, the Association, or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be

liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees before trial, at trial and upon appeal.

#### 9.9 Rules and Regulations.

9.9.1 Generally. Prior to the Turnover, Declarant, and thereafter Association, shall have the right to adopt Rules and Regulations governing the use of the Common Areas. The Rules and Regulations need not be recorded in the Public Records unless required by law. The Common Areas shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder.

9.9.2 Declarant Not Subject to Rules and Regulations. The Rules and Regulations shall not apply to Declarant or to any property owned by Declarant and shall not be applied in a manner which would prohibit or restrict the development of WINGATE LANDING by Declarant or would adversely affect the interests of Declarant. Without limiting the foregoing, Declarant and its assigns, shall have the right, subject to obtaining any and all required permits and approvals from the City and/or any other appropriate governmental agencies having jurisdiction over same, to: (i) develop and construct Lots, Homes, Common Areas, and related improvements within WINGATE LANDING, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Lots and Homes and (b) residences and properties located outside of WINGATE LANDING), general office and construction operations within WINGATE LANDING; (iii) place, erect or construct portable, temporary or accessory buildings or structures within WINGATE LANDING for sales, construction, storage or other purposes all of which shall be incidental to Declarant's development of WINGATE LANDING and not a separate business operation; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any portion of WINGATE LANDING; (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas, or portions of WINGATE LANDING, signs and other materials used in developing, constructing, selling or promoting the sale of any portion WINGATE LANDING including, without limitation, Lots, Parcels and Homes; (vi) excavate fill from any lakes or waterways within and/or contiguous to WINGATE LANDING by dredge or dragline, store fill within WINGATE LANDING and remove and/or sell excess fill; and grow or store plants and trees within, or contiguous to, WINGATE LANDING and use and/or sell excess plants and trees, all of which shall be incidental to Declarant's development of WINGATE LANDING and not a separate business operation; and (vii) undertake all activities which, in the sole opinion of Declarant, are necessary or convenient for the development and sale of any lands and improvements comprising WINGATE LANDING.

9.10 Public Facilities. WINGATE LANDING may include one or more facilities that may be open and available for the use of the general public. By way of example, a lift station dedicated to the JEA as part of the wastewater treatment system shall be located within Tract D of the Plat. Each Owner, by acceptance of a deed to their Lot, acknowledges and agrees that the Association and Declarant have no control with regard to (i) access and use of such facilities by

the general public or (ii) establishing or enforcement (or failure to establish or enforce) regulations or restrictions regarding the use of such facilities by the general public.

9.11 Default by Owners. No default by any Owner in the performance of the covenants and promises contained in this Declaration shall be construed or considered (i) a breach by Declarant or Association of any of their promises or covenants in this Declaration; (ii) an actual, implied or constructive dispossession of another Owner from the Common Areas; or (iii) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

9.12 Special Taxing Districts. For as long as Declarant controls Association, Declarant shall have the right, but not the obligation, to dedicate or transfer or cause the dedication or transfer of all or portions of the Common Areas of WINGATE LANDING to a special taxing district, or a public agency or authority under such terms as Declarant deems appropriate in order to create or contract with special taxing districts and community development districts (or others) for lighting, perimeter walls, entrance features, roads, landscaping, irrigation areas, ponds, surface water management systems, wetlands mitigation areas, parks, recreational or other services, security or communications, or other similar purposes deemed appropriate by Declarant, including without limitation, the maintenance and/or operation of any of the foregoing. As hereinafter provided, Declarant may sign any taxing district petition as attorney-in-fact for each Owner. Each Owner's obligation to pay taxes associated with such district shall be in addition to such Owner's obligation to pay Assessments. Any special taxing district shall be created pursuant to all applicable ordinances of City and all other applicable governing entities having jurisdiction with respect to the same.

9.13 Driveway Repair or Replacement. In the event the JEA or the City or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, sidewalk, walkway or other paved surface on a Lot, then the Owner of such Lot shall be responsible to replace or repair the driveway, sidewalk, walkway or other paved surface at such Owner's expense, if such expenses are not paid for by the JEA or City. In the event an Owner does not comply with this Section 9.13, the Association may perform the necessary maintenance or replacement and charge the costs thereof to the non-complying Owner as an Individual Assessment. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 9.13, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, before trial, at trial and upon appeal. Each Owner grants the Association an easement over its Lot for the purpose of ensuring compliance with the requirements of this Section 9.13.

9.14 Association's and Owners' Obligation to Indemnify. Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless the Declarant Indemnified Parties from and against any and all claims, suits, liabilities, losses, actions, causes of action, damages or expenses arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas, or other property serving Association, and improvements thereon, or resulting from or arising out of activities or operations of the Association and Owners, Lessees and their respective Immediate Family Members, guests and invitees or members of the general public, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, before trial and all trial and appellate

levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders, judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be Operating Expenses to the extent such matters are not covered by insurance maintained by the Association.

9.15 Site Plans and Plats. The Plat may identify some of the Common Areas within WINGATE LANDING. The description of the Common Areas and any Recreational Facilities on the Plat is subject to change and the notes on the Plat are not a guarantee of what facilities will be constructed on such Common Areas. Site plans used by Declarant in its marketing efforts illustrate the types of facilities which may be constructed on the Common Areas, but such site plans are not a guarantee of what facilities will actually be constructed. Each Owner should not rely on the Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Declarant, Owners with respect to the Common Areas and any Recreational Facilities.

#### 9.16 Recreational Facilities.

9.16.1 General Restrictions. Each Owner, Lessee, Immediate Family Member and other person entitled to use the Recreational Facilities shall comply with following general restrictions:

9.16.1.1 Minors. Minors are permitted to use the Recreational Facilities; provided, however, parents and legal guardians are responsible for the actions and safety of such minors and any damages to the Recreational Facilities caused by such minors. The Association may adopt reasonable Rules and Regulations from time to time governing minors' use of the Recreational Facilities, including without limitation, requirements that minors be accompanied by adults while using the Recreational Facilities.

9.16.1.2 Responsibility for Personal Property and Persons. Neither the Declarant nor the Association shall be responsible for any loss or damage to any private property used, placed or stored on the Recreational Facilities. Further, any person entering the Recreational Facilities assumes all risk of loss with respect to his or her equipment, jewelry or other possessions, including without limitation, purses, backpacks, wallets, phones, portable electronic devices, books, clothing, sports equipment or other items left in in the Recreational Facilities.

9.16.1.3 Activities. Any Owner, Lessee Immediate Family Member, guest, invitee or other person who, in any manner, makes use of the Recreational Facilities, or who engages in any contest, game, function, exercise, competition or other activity operated, organized, arranged or sponsored either on or off the

Recreational Facilities, shall do so at their own risk. Every Owner shall be liable for any property damage and/or personal injury at the Recreational Facilities, caused by any Owner, Lessee and their respective Immediate Family Member, invitee or guest. No Owner may use the Recreational Facilities for any society, party, religious, political, charitable, fraternal, civil, fund-raising or other purposes without the prior written consent of the Association, which consent may be withheld for any reason.

9.16.1.4 Guests and Invitees. Guests and invitees must be accompanied by an Owner, Lessee or Immediate Family Member at all times when making use of the Recreational Facilities.

9.16.2 Recreational Facilities Personal Property. Property or furniture used in connection with the Recreational Facilities shall not be removed from the location in which it is placed or from the Recreational Facilities.

9.16.3 Indemnification of Indemnified Parties. By the use of the Recreational Facilities, each Owner, Lessee Immediate Family Member, invitee, guest or any other party using the Recreational Facilities agrees to and shall indemnify and hold harmless the Indemnified Parties against all Losses incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to use of the Recreational Facilities by Owners, Lessees, and their respective Immediate Family Members and their guests and invitees and/or from any act or omission of the any of the Indemnified Parties. Losses shall include the deductible payable under any of the Association's insurance policies.

9.16.4 Attorney's Fees. Should any Owner, Lessee or Immediate Family Member, guest or invitee bring suit against the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, the Owner, Lessee, and/or Immediate Family Member shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.16.5 Basis For Suspension. The rights of an Owner, Lessee, Immediate Family Member, guest, invitee or other individual to use the Recreational Facilities may be suspended by the Association if, in the sole judgment of the Association:

9.16.5.1 such person is not an Owner or a Lessee or an Immediate Family Member or permitted guest of an Owner or Lessee;

9.16.5.2 the Owner, Lessee, Immediate Family Member, guest, invitee or other person for whom an Owner or Lessee is responsible violates one or more of the Association's Rules and Regulations;

9.16.5.3 an Owner, Lessee, Immediate Family Member and/or guest or invitee has injured, harmed or threatened to injure or harm any person within the Recreational Facilities, or harmed, destroyed or stolen any personal property within

the Recreational Facilities, whether belonging to an Owner, third party or to the Association: or

9.16.5.4 an Owner fails to pay Assessments due.

9.16.6 Types of Suspension. The Association may restrict or suspend, for cause or causes described herein, any Owner's privileges to use any or all of the Recreational Facilities. By way of example, and not as a limitation, the Association may suspend a Lessee's privileges to use any or all of the Recreational Facilities if such Lessee's Owner fails to pay Assessments due in connection with a leased Home. In addition, the Association may suspend the rights of a particular Owner or Lessee (and/or Immediate Family Member) or prohibit an Owner or Lessee (and/or Immediate Family Member) from using a portion of the Recreational Facilities. No Owner whose privileges have been fully or partially suspended shall, on account of any such restriction or suspension, be entitled to any refund or abatement of Assessments or any other fees. During the restriction or suspension, Assessments shall continue to accrue and be payable each month. Under no circumstance will an Owner be reinstated until all Assessments and other amounts due to the Association are paid in full. Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities shall be immediate and without notice or a hearing if such suspension is for failure to pay Assessments due and, if such suspension is for any other reason, shall be imposed after ten (10) business days' notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee of the Association. Such suspension may not be imposed without the approval of a majority of the members of such committee. If the Association imposes a suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee.

10. Maintenance by the Association. The following provisions shall relate to all Lots and Homes within WINGATE LANDING, except as otherwise noted.

10.1 Common Areas. Except as otherwise specifically provided in this Declaration to the contrary, the Association shall at all times maintain, repair, replace and insure the Common Areas, including all improvements placed thereon, including without limitation the Recreational Facilities.

10.2 Intentionally Deleted.

10.3 Landscape Maintenance. The Association shall maintain as an Operating Expense all landscaping within any "Landscape Easement", "Open Space/Landscape Area", "Landscape/Wall Tract" or other portion of any Lot or Tract (a) dedicated to the Association for landscape purposes ("Landscape Tract") or (b) subject to a landscaping easement in favor of the Association (a "Landscape Easement") as designated on the Plat or by separate recorded easement. No Owner or Lessee shall install, remove, maintain, modify, disturb or alter any landscaping installed within any Landscape Easement other than regular irrigation of same consistent with the irrigation standards and requirements for all Lots within WINGATE LANDING. Except as otherwise provided in this Declaration, the Association shall have no

responsibility for the maintenance of landscaped areas within any Lot. Except as provided in this Declaration, the record title Owner of each such Lot shall be responsible for the repair, replacement and maintenance of the irrigation and all landscaped areas and other improvements within any portion of the Lot, including, without limitation, maintenance of the elevation, grade and slope of the Lot, maintenance of the portion of the SWMS located on the Lot and repairing any damage to sidewalks, utilities or the SWMS resulting from any trees or landscaping on the Lot.

10.4 Roadways. All roadways within WINGATE LANDING shall be public roadways and shall not be maintained by the Association. THE ROADWAYS WITHIN, ADJACENT OR IN PROXIMITY TO WINGATE LANDING ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION AND DECLARANT HAVE NO CONTROL WITH REGARD TO (i) ACCESS AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC (ii) MAINTENANCE OF SUCH ROADWAYS BY THE CITY OR (iii) ENFORCEMENT OF TRAFFIC CONTROL OR PARKING RESTRICTIONS WITH RESPECT TO SUCH ROADWAYS BY THE CITY.

10.5 Adjoining Areas. The Association shall maintain those drainage areas, swales, lake maintenance easements, lake slopes and banks, and landscape areas that are within the Common Areas. The Association shall have an easement for ingress and egress across Lots as necessary to any such areas that are not readily accessible to the Association. Further, the Association may undertake maintenance of the landscaped areas within and adjoining Retention Areas that comprise the SWMS dedicated to the City by Plat, including, without limitation irrigation, planting, maintaining and trimming trees, plants, shrubs and other landscaping, mowing, mulch, installation of benches, sidewalks and walkways, installation, operation and repair of fountains and aquatic maintenance. The Association's right to maintain any portion of the SWMS dedicated to the City by Plat shall be pursuant to a separate "Use Agreement" with the City. The cost of maintenance of any such areas shall be deemed part of the Operating Expenses.

10.6 Repair of Damage Caused by Owners. The expense of any maintenance, repair, construction or replacement of any portion of the Common Areas or damage to any landscaping or irrigation systems located on Lots to be maintained by the Association necessitated by the negligent or willful acts of an Owner, or persons utilizing the Common Areas or Lots through or under an Owner, including Lessees, Immediate Family Members, guests and invitees, shall be borne solely by such Owner and the Lot owned by such Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas by such Owner or their Lessees without the prior written approval of the Association.

10.7 Right of Entry. Declarant and the Association are granted a perpetual and irrevocable easement over, under and across all of WINGATE LANDING for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform. Without limiting the foregoing, Declarant specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, Declarant may construct, maintain, repair, alter, replace and/or remove improvements;

install landscaping; install utilities; and/or remove structures on any portion of WINGATE LANDING if Declarant is required to do so in order to obtain the release of any bond posted with any governmental agency.

10.8 Maintenance of Property Owned by Others. Association shall, if designated by Declarant (or by the Association after the Community Completion Date) by amendment to this Declaration or any document of record, maintain vegetation, landscaping, wetlands, conservation areas, irrigation systems, community identification/features and/or other improvements, areas or elements designated by Declarant (or by the Association after the Community Completion Date) upon areas that are within or outside of WINGATE LANDING. Such areas may abut, or be proximate to, WINGATE LANDING, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, wetlands, conservation areas, drainage areas, community identification or entrance features, community signage or other identification and/or areas within canal rights-of-ways or other abutting waterways. To the extent provided in any agreement between Declarant and Association for the maintenance of any lakes or ponds outside WINGATE LANDING, the Association shall maintain the same and the costs thereof shall be paid by Owners as part of the Operating Expenses. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the Members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

10.9 Perimeter Walls and Fences. The Declarant may install walls or fences, including a retaining wall, within any Common Area Tract or any Landscape Easement or fence or wall easement within or adjacent to WINGATE LANDING as set forth on the Plat or created pursuant to this Declaration or by separate easement instrument (the "Perimeter Wall/Fence Easement") or along the common line of any Lot and the perimeter boundary of WINGATE LANDING or the common boundary line of any Lot and any Common Area Tract (the "Perimeter Walls/Fences"). In addition, any portion of an Owner's Lot located within five (5) feet of any Perimeter Wall/Fence shall also constitute a Perimeter Wall/Fence Easement. The Association at all times shall maintain, repair and replace any Perimeter Walls/Fences located entirely within any Common Area Tracts within WINGATE LANDING. Each Owner shall maintain, repair and replace any and all Perimeter Walls/Fences or portions thereof located on or immediately adjacent to such Owner's Lot or on the common boundary line of such Owner's Lot and the perimeter boundary of WINGATE LANDING or on the common boundary line of such Owner's Lot and any Common Area Tracts, including, without limitation, painting and pressure washing, repairs and replacement as needed and keeping such Perimeter Walls/Fences clear of plant growth, dirt and graffiti. All such painting, repair and replacement of such Perimeter Walls/Fences by such Owners shall restore same to the original condition as installed on such Owner's Lot by Declarant. Each Owner shall complete any required maintenance, repair or replacement of any such Perimeter Walls/Fences located on or immediately adjacent to such Owner's Lot within twenty (20) days for maintenance and repairs and within sixty (60) days for replacement after such Owners receipt of written notice of any such needed maintenance, repair or replacement from the Association. The Association, at the option of the Board, may elect to replace all of the Perimeter Walls/Fences in WINGATE LANDING as an Operating Expense, provided that any such replacement shall not alter the

obligations of Owners to maintain, repair and replace the portions of such Perimeter Walls/Fences located on their Lot as provided in this Section 10.9 thereafter. Owners may install fences on their Lot which abut perpendicularly (or at such other angles as are consistent with the angles of intersection of the lot lines of such Owner's Lot as same abut the Perimeter Wall/Fence) against any Perimeter Walls/Fences, but no such fence or any other improvements installed by any Owner may be affixed or attached to any Perimeter Walls/Fences or otherwise located within a Perimeter Wall/Fence Easement. In addition, the Association, in conducting any maintenance, repair or replacement of any Perimeter Walls/Fences, shall not be responsible for any damage to or removal of any fences installed by any Owner or any landscaping or improvements located within the Perimeter Wall/Fence Easement. No Owner may install or permit to grow any trees, shrubs or landscaping other than sod on their Lot within any Perimeter Wall/Fence Easement or within five (5) feet of any Perimeter Walls/Fences without approval of the ARC pursuant to Section 19 below. The Association may perform (and is hereby granted an easement of ingress and egress and temporary construction over all Lots as reasonably necessary to perform) any such maintenance, repairs or replacement of the Perimeter Walls/Fences at the Board's discretion and, except as provided herein, the costs of such maintenance, repairs or replacement shall be Operating Expenses. Failure of the Association to undertake any such maintenance, replacement or repair of the Perimeter Walls/Fences shall in no event be deemed a waiver of the right to do so thereafter. In the event an Owner fails to maintain, repair and replace any Perimeter Walls/Fences located on or adjacent to their Lots as provided herein, the Association may maintain, repair or replace such Perimeter Walls/Fences and all costs incurred by the Association in connection with same shall be an Individual Assessment against such Owner's Lot. Notwithstanding anything contained in this Section 10.9 to the contrary, the Declarant neither commits to, nor shall hereby be obligated to, construct such Perimeter Walls/Fences, provided, however, that Declarant shall install, and the Association and Owners shall maintain as provided above, all Perimeter Walls/Fences, buffer walls or retaining walls as required by the City or under any other permit, approval or agreement applicable to WINGATE LANDING.

10.10 Right-of-Way. The Association shall be responsible for the costs, charges and expenses incurred in connection with) maintenance, including mowing, edging, trimming and irrigation, of all trees and landscaping located in the public right-of-way adjacent to any Common Areas. The Association may also undertake responsibility for the maintenance of improvements and maintenance and irrigation of landscaping located in the public right-of-way or other property dedicated to the City within or adjacent to any portion of WINGATE LANDING, including, without limitation, any sidewalks, trees, landscaping, irrigation, hardscape, fountains, signage, entrance features, pavers, walls, lighting and electrical lines and systems. Such maintenance may include, but shall not be limited to, (a) maintenance and irrigation of landscaping of and maintenance of signage, lighting and entrance features within the right of way at the entrance to WINGATE LANDING, (b) maintenance and irrigation of landscaping within the unpaved portion of the rights of way adjacent to perimeter buffering in WINGATE LANDING and (c) parking spaces located within the rights of way within and adjacent to WINGATE LANDING. The Association's right and obligation to maintain such landscaping and improvements may be as required in approvals issued for WINGATE LANDING or may be pursuant to a separate "Use Agreement" with the City or governmental agency. The cost associated with any such maintenance and irrigation of landscaping or maintenance of improvements within the public right-of-way and other City property within and adjacent to WINGATE LANDING shall be deemed part of the Operating Expenses. Notwithstanding anything to the contrary in this Section 10.10, every Owner

shall be responsible for the maintenance and irrigation of trees and landscaping within the portions of any public right-of-way adjacent to such Owner's Lot pursuant to Sections 11.2.3 and 11.7 below.

10.11 Sidewalks. The Association shall be responsible for the maintenance and repair of all sidewalks within WINGATE LANDING located in the Common Areas; however, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such sidewalk in the event that the negligent or willful acts of such Owner, their Lessees, Immediate Family Members, guests or invitees caused such damage to any sidewalk area. Failure of an Owner to reimburse the Association any costs necessitated by such negligent or willful acts shall subject the Owner to an Individual Assessment for such costs. Maintenance, repair and replacement of sidewalks and walkways located on any Lot, including walkways from the driveway to the Home, shall be the responsibility of the Lot Owner.

10.12 Water Body Slopes. The rear or side yard of some Lots adjacent to Retention Areas, ponds or lakes may contain water body slopes. Such water body slopes will be regulated by the Association and maintained by the Owner of such Lot, including regular mowing, maintenance, replacement and irrigation of sod and landscaping to prevent erosion of such water body slopes. In the event any Owner fails to maintain any water body slopes on such Owner's Lot, or in the event the slopes, banks or berms of any adjacent Retention Areas are damaged as a result of erosion of or stormwater runoff from such Owner's Lot, the Association may maintain, repair or restore same and the costs incurred in connection with such maintenance and restoration shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. The Declarant hereby grants the Association an easement of ingress and egress across all Lots adjacent to water body areas for the purpose of regulating and maintaining such water body slopes.

11. Maintenance by Owners. Except for maintenance obligations and responsibilities of the Association expressly set forth in this Declaration, the Owner of each such Lot shall be responsible for the repair, replacement and maintenance of all other improvements and landscaping within any portion of the Lot, including, without limitation, maintenance of the elevation, grade and slope of the Lot, maintenance of the portion of the SWMS located on the Lot and repairing any damage to sidewalks, utilities or the SWMS resulting from any trees or landscaping on the Lot. Each Owner shall maintain his or her Lot and Home, including without limitation, all structural components, landscaping, irrigation systems, driveways, garage doors, and any other improvements comprising the Lot or Home in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of WINGATE LANDING, except (i) to the extent such maintenance responsibility is specifically the obligation of the Association pursuant to the terms of this Declaration and (ii) any portion of any Lot which is Conservation Easement Property, which shall be governed by Section 27 below. In the event Lots and Homes are not maintained by the Owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner and recover all costs and expenses incurred by the Association in connection with same as an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below.

11.1 Right of Association to Enforce. Declarant hereby grants the Association an easement over each Lot for the purpose of insuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may

perform the necessary maintenance and charge the costs thereof to the noncomplying Owner as an Individual Assessment. Without limiting the generality of the foregoing, in the event any Owner fails to maintain their Lot or Home in accordance with the requirements of the Governing Documents, including without limitation, this Section 11, the Association, after providing not less than ten (10) days written notice and an opportunity to cure such failure to such Owner, may, but shall not be obligated to, enter upon such Owner's Lot to conduct any such requirement maintenance and shall charge the costs thereof to the Owner as an Individual Assessment. Notwithstanding the foregoing, the Association shall have the right, but not the obligation, to enter upon an Owner's Lot to conduct any required maintenance or take such other action as required, in the sole judgment of the Association, to bring such Owner's Lot and Home into compliance with the Governing Documents without prior notice or opportunity to cure to such Owner in situations in which the Association determines, in its sole discretion, that immediate action is required to remedy or prevent a hazardous condition or to preserve the community standards of WINGATE LANDING, and the Association shall charge the costs thereof to the Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, before trial, at trial and upon appeal.

11.2 Landscape Maintenance Standards. The following maintenance standards (the "**Landscape Maintenance Standards**") apply to landscaping within all Lots (except for the portions thereof constituting Conservation Easement Property):

11.2.1 Trees. Trees are to be pruned as needed and maintained with the canopy no lower than eight feet (8') from the ground above all sidewalks and no lower than twelve feet (12') from the ground above all streets, roadways, parking areas and driveways.

11.2.2 Shrubs. All shrubs are to be trimmed as needed.

11.2.3 Grass.

11.2.3.1 Cutting Schedule. Grass shall be maintained in a neat and appropriate manner. In no event shall lawns within any Lot be in excess of five inches (5") in height.

11.2.3.2 Edging. Edging of all streets, curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted.

11.2.3.3 St. Augustine Grass. Only St. Augustine grass (i.e., Floratam or a similar variety) is permitted in all yards.

11.2.3.4 Adjacent Rights of Way. Each Owner shall also be responsible for mowing, edging and irrigating the grass in the public rights of way immediately adjacent to such Owner's Lot, including all such grass that is between the sidewalk and the edge of curb.

11.2.4 Mulch. Mulch shall be maintained neat and appropriate, shall be replenished as needed and shall be comprised of such wood or fibrous material consistent with the Architectural Guidelines promulgated by Declarant or the ARC for mulch for WINGATE LANDING.

11.2.5 Insect Control and Disease. Insect control and disease shall be performed on an as needed basis. Failure to do so could result in additional liability if the disease and insect spread to neighboring Lots and Common Areas. Dead grass shall be removed and replaced within thirty (30) days of dying. If the City code or SJRWMD regulations require Bahia grass in the rear yards, it shall remain as Bahia and if it dies, may only be replaced with Bahia.

11.2.6 Fertilization. Fertilization of all turf, trees, shrubs, and palms shall be performed according to Best Management Practices as provided by the City Extension Service (if any) or The University of Florida IFAS Extension.

11.2.7 Weeding. All beds are to be weeded as needed to maintain a neat and appropriate appearance. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

11.2.8 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

11.3 landscaping and Irrigation. The following provisions shall relate to all Lots within WINGATE LANDING (except to the extent and excepting any portion of any Lot which is Conservation Easement Property, which shall be governed by Section 27 below):

11.3.1 Every Owner shall be required to irrigate the grass and landscaping located on their Lot in a routine and ordinary manner, as may be permitted by SJRWMD and/or City regulations and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Watering and irrigation, including the maintenance, repair and replacement of irrigation facilities and components will be the sole responsibility of the record title Owner of the respective Lot. Lots shall be consistently irrigated to maintain a green and healthy lawn at all times. Sprinkler heads shall be maintained on a monthly basis. Water spray from sprinklers shall not extend beyond any property line of the respective Lot except as necessary to irrigate adjacent public rights of way pursuant to Section 11.7 below. Automatic sprinkler systems shall not cause water to run onto neighboring Lots, walkways, streets or the like and shall include a timing system to limit hours of operation. All components of the irrigation system, clock, pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

11.3.2 Owner Installed Landscaping. No Owner or Lessee shall install any additional landscaping, including flowers, trees or shrubs, installed on any Lot after completion of initial construction on any Lot without approval of the ARC. Any such landscaping installed by an Owner (including prior Owners) on any Lot (the "Owner

Installed Landscaping”), regardless of whether such Owner Installed Landscaping is permitted pursuant to this Section 11.3.2, shall be the responsibility of the Owner and not the responsibility of the Association. The ARC may deny approval, condition its approval or limit locations for installation of any Owner Installed Landscaping in its sole discretion, and may deny installation of Owner Installed Landscaping if, in the ARC’s sole judgment, it determines any such Owner Installed Landscaping shall interfere with or increase the cost of activities conducted by the Association on such Lot or interfere with the maintenance or operation of any portion of the SWMS located on or adjacent to such Lot. In addition, no Owner Installed Landscaping, including mulched areas, may be installed in any Access and Maintenance Easement, Private Drainage Easement, Drainage Swale Easement, Landscape Easement or on or in proximity to Lot lines or within or in proximity to drainage slopes and swales. The Association shall not be responsible for damage to, or obligated to replace any, Owner Installed Landscaping under any circumstances. Nothing herein shall be deemed to authorize the installation of Owner Installed Landscaping on any Lot without ARC approval of same, which can be withheld in the ARC’s sole discretion.

11.3.3 Owner Modifications to Lots or Improvements. No sod, topsoil, tree or shrubbery shall be removed from WINGATE LANDING and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the Association, in its sole discretion, considers detrimental or potentially detrimental to person or property. All landscaping installed by Declarant in connection with the initial construction of a Home on a Lot shall be maintained and replaced by the Owner of such Lot. No additional landscaping or improvements may be installed on any Lot without ARC approval pursuant to Section 19 below. Owners who install additional landscaping or improvements to their Lot (including, without limitation, concrete or brick pavers), with or without the approval of the ARC, that result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement or landscaping. Further, in the event that such Owner fails to pay for such required repairs or resolution of such drainage problems, such Owner agrees to reimburse the Association for all expenses incurred in (i) removing any improvements or landscaping not approved by the ARC or (ii) fixing such drainage problems including, without limitation, removing excess water and repairing or modifying the SWMS and shall be subject to an Individual Assessment for same.

11.4 Weeds and Refuse. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon the cleared portion of any Lot. No refuse or unsightly objects shall be allowed to be placed or allowed to remain upon any Lot.

11.5 Paved Surfaces. Each Owner shall be responsible to timely repair, maintain and/or replace the driveways, sidewalks, walkways and all other paved surfaces comprising part of a Lot, except to the extent same is the express maintenance obligation of the Association under this Declaration. In the event the JEA or City or any of its subdivisions, agencies, and/or divisions or the City must remove any portion of an Owner’s driveway, sidewalk, walkway or other paved surface of a Lot not required to be maintained by the Association for the installation, repair, replacement or maintenance of utilities, then the Owner of the applicable Lot will be responsible to replace or repair such paved surfaces at such Owner’s expense. Further, each Owner agrees to

reimburse the Association any expense incurred in repairing any damage to such paved surfaces in the event that such Owner fails to make the required repairs, together with interest at the highest rate allowed by law. In the event an Owner does not comply with this Section, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. Declarant and Association shall not have liability under such circumstances for any damage or loss that an Owner may incur. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, FOR AND ON BEHALF OF THEMSELVES, THEIR LESSEES AND THE IMMEDIATE FAMILY MEMBERS OF THEMSELVES AND THEIR LESSEES, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED DECLARANT AND THE INDEMNIFIED PARTIES FROM ANY AND LIABILITY RESULTING FROM SAME.

11.7 Irrigation and Maintenance of Landscaping in Rights of Way Adjacent to Lots. Each Owner of a Lot shall be responsible for the maintenance, replacement and irrigation of trees and landscaping located in the portions of public rights of way immediately adjacent to such Owner's Lot at such Owner's sole cost and expense. Every such Owner shall be required to irrigate the grass and landscaping located in such public rights of way immediately adjacent to such Owner's Lot in a routine and ordinary manner and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. No tree installed by the Declarant or the Association in such public rights of way shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing WINGATE LANDING.

11.8 Party Walls. Each wall or fence, any part of which is placed on a dividing line between separate Lots as part of the original construction on the Lots shall constitute a "**Party Wall**." Each adjoining Owner's obligation with respect to Party Walls shall be determined by this Declaration, except as otherwise required by Florida law.

11.8.1 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Party Wall facing his Lot. Except as provided in this Section 11.8, the cost of reasonable repair shall be shared equally by adjoining Lot Owners.

11.8.2 Damage by One Owner. If a Party Wall is damaged or destroyed by the act of one adjoining Owner, or their Lessees or their respective Immediate Family Members, guests, invitees, licensees or agents (whether or not such act is negligent or

otherwise culpable), then that Owner shall immediately rebuild or repair the Party Wall to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damage (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Lot:

11.8.2.1 No Owner shall allow sprinklers operated by the Owner to spray or other water sources to deliver water within one foot (1') of any Party Wall, excluding rainfall that falls directly on such area (i.e. an Owner shall not collect rainfall from other portions of the Lot and deliver it within one foot (1') of any Party Wall);

11.8.2.2 No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any Party Wall; and

11.8.2.3 No Owner shall allow water to be provided by sprinkler, hose, hand delivery or otherwise to any plant located within five feet (5') of any Party Wall; provided, however, Owners are permitted to allow water delivery to any plant located within one foot (1') of any Party Wall if the method of such delivery is either by drip line or by spray facing in a direction away from the Party Wall.

The foregoing shall not be deemed to regulate or restrict the activities of the Association in maintaining and irrigating landscaping on Common Areas or within any landscape Easement pursuant to the provisions of this Declaration.

11.8.3 Other Damage or Ordinary Wear and Tear. If a Party Wall is damaged or destroyed by any cause other than the act of one of the adjoining Owners, their Lessees or their respective Immediate Family Members, guests or invitees (or must be maintained or replaced as a result of ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair, maintain or replace the Party Wall to its prior condition, equally sharing the expense; provided, however, that if a Party Wall is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Lot (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Lot, or their Lessees or their respective Immediate Family Members, guests or invitees) then in such event, the Owner of that particular Lot shall be solely responsible for the cost of rebuilding or repairing the Party Wall and shall immediately repair the Party Wall to its prior condition.

11.8.4 Association Right to Repair. In the event that the Owner or Owners responsible for rebuilding, repairing, maintaining or replacing a Party Wall as provided above fail to conduct such required work with respect to the Party Wall, the Association may, but shall not be obligated to, conduct any or all such rebuilding, repairing, maintenance or replacement with respect to such Party Wall and the Owner or Owners originally responsible for same shall reimburse the Association for all costs and expenses incurred by the Association in connection with same, and shall be subject to an Individual Assessment against their Lot or Lots for all such costs and expenses.

11.8.5 Right of Entry. Each Owner shall permit the Owners of adjoining Lots, or their representatives, to enter his Lot for the purpose of installations, alteration, or repairs to a Party Wall on the Lot of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Lot. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

11.8.6 Right of Contribution. The right of any Owner to contribution from any other Owner under this Section 11.8 shall be appurtenant to the land and shall pass to such Owner's successors in title.

11.8.7 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild (other than rebuilding in a manner materially consistent with the previously existing Party Wall) the Party Wall, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

11.9 Removal of Trees within Conservation Easement Property. Subject to the requirements set forth below, Owners may only remove a tree from Conservation Easement Property (or similar easement preserving the natural conditions of the land subject to same) within or adjacent to their Lots if (i) such tree, due to damage or disease, presents a potential danger to damage to persons or property on such Owner's Lot, (ii) such Owner obtains and complies with all required permits and approvals for such removal from the SJRWMD, City and all other governmental agencies with jurisdiction over same and delivers copies of such permits and approvals to the Association, (iii) such Owner obtains the written approval of the Association for such tree removal, and (iv) such Owner engages a tree removal contractor that is from a list of approved contractors or is otherwise approved in writing by the Association, in its sole discretion, to remove such tree. Any such tree removal, including any required mitigation for or replanting for same, shall be conducted at the sole cost and expense of the Owner removing such tree.

11.10 Exterior Home Maintenance. Each Owner is solely responsible for the proper maintenance and cleaning of the exterior walls of his or her Home. Exterior walls are comprised in whole or in part of concrete block, framing, siding, hardy board or other finish material composed of or coated with stucco or cementitious coating (collectively, "Stucco/Cementitious Finish"). While Stucco/Cementitious Finish is high in compressive or impact strength, it is not of sufficient tensile strength to resist building movement. It is the nature of Stucco/Cementitious Finish to experience some cracking and it will expand and contract in response to temperature, sometimes creating minor hairline cracks in the outer layer of the stucco application. This is normal behavior and considered a routine maintenance item for the Owner. Each Owner is responsible to inspect the Stucco/Cementitious Finish to the exterior walls for cracking and engage a qualified professional to seal those cracks and repair the affected area. In addition, each Owner is responsible for inspecting the exterior paint and caulk material in the exterior wall system openings (i.e. windows, doors, hose bibs, etc.) for peeling, cracking or separating. If the inspection reveals any such items, the Owner is responsible for engaging a qualified professional to clean, repair, re-caulk

and repaint those areas of the Home. Each Owner is responsible for all maintenance and repairs described in this Section 11.10, and they should be completed in a timely fashion to prevent any damage to the Home.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within WINGATE LANDING, except for any Lots owned by the Declarant. Each Owner, Lessee, Immediate Family Member and their guests and invitees must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ARC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within WINGATE LANDING for commercial purposes. Except as provided below, Owners may keep up to a total of three (3) domestic pets at any one time as permitted by City ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. In addition, any individual pet or any type or breed of pet considered by the Board to constitute a nuisance or to be a threat to the safety of residents, guests or invitees of WINGATE LANDING, their pets or members of the general public may be banned from WINGATE LANDING by Board action if an individual pet or by Rules and Regulations adopted by the Board if a type or breed of pet. The determination by the Board that an animal or pet kept or harbored in a Home or a type or breed of pet is a nuisance or constitutes a safety threat shall be conclusive and binding on all parties. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the yard of a Lot. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the giving of the notice. The person walking the pet or the Owner shall clean up all matter created by the pet. Each Owner shall be responsible for the activities of its pet.

12.3 Artificial Vegetation. Except as otherwise permitted by Florida law, no artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ARC.

12.4 Vehicles. Except as provided in the following sentence, the following restrictions shall apply to all vehicles utilized or parked in WINGATE LANDING. Notwithstanding any other provision in this Declaration to the contrary, the following restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant or its subcontractors, suppliers, consultants or agents or by the Association or its contractors or its agents.

12.4.1 Parking. Owners', Lessees', Immediate Family Members' and guests' and invitees' vehicles parked on any Lot shall be parked in the garage or driveway of the respective Owners' Lot and shall not block the sidewalk. To the extent WINGATE LANDING has any guest parking, Owners, Lessees and Immediate Family Members are

prohibited from parking in such guest parking spaces. No vehicles shall be parked in grassy or landscaped areas at any time. No vehicles used in business for the purpose of transporting goods, equipment and the like, shall be parked in WINGATE LANDING except during the period of a delivery. Any vehicles parked within or blocking the sidewalks of WINGATE LANDING shall be subject to towing without further notice other than such notice or notices, if any, required by law.

12.4.2 Repairs and Maintenance of Vehicles. No vehicle which cannot operate on its own power shall remain on WINGATE LANDING for more than twelve (12) hours, except in the garage of a Home. No repair or maintenance, except emergency repair, of vehicles shall be made within WINGATE LANDING, except in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view.

12.4.3 Prohibited Vehicles. No commercial vehicle, limousine, recreational vehicle, boat, watercraft, trailer, including without limitation, boat trailers, house trailers, mobile homes, and trailers of every other type, kind or description, or camper, may be kept within WINGATE LANDING except in the garage of a Home with the garage door closed. The term "commercial vehicle" shall not be deemed to include law enforcement vehicles or recreational or utility vehicles (i.e., Broncos, Blazers, Explorers, Navigators, etc.) or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation; provided, however, vehicles with ladders, racks, and hooks attached to such vehicles shall be "commercial vehicles" prohibited by this Section. No vehicles displaying commercial advertising shall be parked within the public view. Vehicles with commercial advertising in violation of the forgoing limitations must be parked in the garage of a Home with the garage door closed. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere within WINGATE LANDING. For any Owner who drives an automobile issued by the City or other governmental entity (i.e., police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No all-terrain vehicles (ATVs), golf carts, scooters or mini motorcycles are permitted at any time on any paved surfaces forming a part of the Common Areas. Additionally, no ATV or mini motorcycle may be parked or stored within WINGATE LANDING, including any Lot, except in the garage of a Home with the garage door closed. No vehicle shall be parked on any portion of any Lot other than the garage or driveway. No vehicle, including vehicles of visitors and guests, shall be parked in any driveway so that any portion of such vehicle either blocks a sidewalk or extends into any street or roadway.

12.4.4 Towing. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the Rules and Regulations may be towed by the Association at the sole expense of the owner of such vehicle (i) without further notice (other than as required by applicable law, if any) with respect to any vehicle parked in or blocking any sidewalk or in or on any grassy or landscaped area and (ii) with respect to any other violation of this Section 12, if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or without prior notice if such a vehicle was cited for such violation within

the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing service the right to enter a Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. For purposes of this Section 12.4, "vehicle" shall also mean vehicles of all kinds and nature, including, without limitation, motorcycles, recreational vehicles, campers, mobile homes, trailers, etc. By accepting title to a Home, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot and Common Area that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting. Notwithstanding the foregoing, each Owner, by accepting title to a Home, acknowledges that the Association and Declarant are not responsible for (and will not be responsible for) monitoring, enforcing or towing with respect to vehicles parked on any public road right of way within, adjacent to or in proximity with WINGATE LANDING.

12.5 Casualty Destruction to Improvements. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then the Association and/or Owner thereof (as applicable) shall commence to rebuild or repair the damaged Home or improvement in accordance with Section 14.2.2 of this Declaration. As to any such reconstruction of a destroyed Home or improvements, the same shall only be replaced as approved by the ARC. Notwithstanding anything to the contrary herein, to the extent that insurance coverage obtained and maintained by the Association covers such casualty destruction, the Owner of such damaged or destroyed Home shall not perform any activities that would negate such coverage or impair the availability of such coverage.

12.6 Commercial Activity. Except for normal construction activity, sale, and re-sale of a Home, sale or re-sale of other property owned by Declarant, administrative offices of Declarant, no commercial or business activity shall be conducted within WINGATE LANDING, including without limitation, within any Home. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, home business offices may be maintained in homes and home-based occupations may be operated out of the Homes, provided, that: (i) there are no non-resident employees working within the Lot or Home, (ii) there is no signage; (iii) the Home is not used to receive clients and/or customers; (iv) there is not excessive deliveries made to the Home; (v) the home-based occupation does not generate additional visitors, traffic or noise into the Home or any part of the WINGATE LANDING; (vi) the home based occupation does not cause a nuisance to the other Lots, Homes or Owners; and (vii) such use meets all other municipal code and zoning requirements. No Owner may actively engage in any solicitations for commercial purposes within WINGATE LANDING. No solicitors of a commercial nature shall be allowed within WINGATE LANDING, without the prior written consent of the Association. No day care center or facility or school or educational center or facility may be operated out of a Home. No garage sales are permitted, except as permitted by the Association. Prior to the Community Completion Date, Association shall not permit any garage sales without the prior written consent of Declarant.

12.7 Completion and Sale of Homes. No person or entity shall interfere with the completion and sale of Homes and/or Lots within WINGATE LANDING by Declarant. WITHOUT LIMITING THE FOREGOING, EACH OWNER, BY ACCEPTANCE OF A DEED, AGREES THAT ACTIONS OF OWNERS MAY IMPACT THE VALUE OF HOMES AND/OR LOTS; THEREFORE EACH OWNER IS BENEFITED BY THE FOLLOWING RESTRICTIONS: PICKETING AND POSTING OF NEGATIVE SIGNS IS STRICTLY PROHIBITED IN ORDER TO PRESERVE THE VALUE OF THE HOMES AND/OR LOTS IN WINGATE LANDING AND THE RESIDENTIAL ATMOSPHERE THEREOF.

12.8 Control of Contractors. Except for direct services which may be offered to Owners (and then only according to the Rules and Regulations relating thereto as adopted from time to time), no person other than an Association officer shall direct, supervise, or in any manner attempt to assert any control over any contractor of the Association.

12.9 Cooking. No cooking shall be permitted nor shall any goods or beverages be consumed on the Common Areas, except in areas designated for those purposes by the Association. The Board shall have the right to prohibit or restrict the use of grills or barbecue facilities throughout WINGATE LANDING.

12.10 Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, or weather vanes, viewable from the streets or another Lot or Home within WINGATE LANDING shall be installed or placed within or upon any portion of WINGATE LANDING without the prior written approval of the ARC. Notwithstanding the foregoing, holiday lighting and decorations shall be permitted to be placed upon the exterior portions of the Home and upon the Lot in the manner permitted hereunder (i) commencing October 15th and shall be removed by November 5th of each year for Halloween lighting and decorations and (ii) commencing November 10th and shall be removed by December 1<sup>st</sup> of each year for Fall holiday lighting and decorations, (iii) commencing Thanksgiving day and shall be removed not later than January 5th of the following year for winter holiday lighting and decorations. The ARC may establish standards for holiday lights and decorations. The Association may require the removal of any lighting or decorations that creates a nuisance (e.g., unacceptable spillover to adjacent Home or excessive travel through WINGATE LANDING) or which interferes with the Association in performing its responsibilities under this Declaration. The Association is not responsible for any damage to holiday lighting and decorations incurred in connection with Association's performance of its responsibilities under this Declaration. Except as otherwise provided in Section 720.304(2)(b), Florida Statutes, and subject to the requirements of such provision, no flag poles are permitted without the prior written approval of the ARC.

12.11 Disputes as to Use. If there is any dispute as to whether the use of any portion of WINGATE LANDING complies with this Declaration, such dispute shall, prior to the Community Completion Date, be decided by Declarant, and thereafter by the Association. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

12.12 Drainage System. Drainage systems and drainage facilities may be part of the Common Areas, including Drainage Swale Easements or Private Drainage Easements or located within Lots or part of the SWMS dedicated to the Association by Plat. Once drainage systems or

drainage facilities are installed by Declarant, the maintenance of such systems and/or facilities thereafter shall be the responsibility of the Association; however, the Association shall not have any responsibility for landscape maintenance within any Lot, except within a Landscape Easement pursuant to Section 10.3 above, and the Owner of any such Lot shall be required to maintain such Lot in accordance with the provisions of Section 11 of this Declaration. In the event that such system or facilities (whether comprised of swales, pipes, pumps, water body slopes, or other improvements) is adversely affected by landscaping, fences, structures (including, without limitation, pavers) or additions installed by an Owner or Lessee, the cost of the Association to correct, repair, or maintain such drainage system and/or facilities shall be the responsibility of the Owner of such Lot containing all or a part of such drainage system and/or facilities and shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. By way of example, and not of limitation, if a tree is planted on one Lot and the roots of such tree subsequently affect pipes or other drainage facilities within another Lot or adjacent Common Area, including Drainage Swale Easements or Private Drainage Easements, the Owner of the Lot containing such tree, irrespective of whether such Owner planted the tree, shall be solely responsible for the removal of the roots which adversely affects the adjacent Lot or Common Area. Likewise, if the roots of a tree located within the Common Areas adversely affect an adjacent Lot, the Association shall be responsible for the removal of the roots and the costs thereof shall be Operating Expenses. NOTWITHSTANDING THE FOREGOING, THE ASSOCIATION AND DECLARANT SHALL HAVE NO RESPONSIBILITY OR LIABILITY FOR DRAINAGE PROBLEMS OF ANY TYPE WHATSOEVER.

12.13 Extended Vacation and Absences. In the event a Home will be unoccupied for an extended period, the Home must be prepared prior to departure by: (i) removing all removable furniture, plants and other objects from outside the Home; and (ii) designating a responsible firm or individual to care for the Home, should the Home suffer damage or require attention, and providing a key to that firm or individual. Neither Association nor Declarant shall have any responsibility of any nature relating to any unoccupied Home.

12.14 Fences/Walls/Screens. No walls or fences shall be erected or installed by any Owner of a Lot without prior written consent of the ARC. No fences shall be erected or installed by any Owner of a Lot within any Conservation Easement Property, including upland buffer areas. No chain link or wooden fencing of any kind shall be allowed. Rear and side yard fences for Lots shall be such design and materials as may be authorized by the ARC in its sole discretion. Fences shall not be installed flush to the ground so that drainage will be blocked in any way. All fences must be in compliance with the Architectural Guidelines. All fences must be installed on the property line of the Owner's Lot except the portions thereof running from the property line to the Home. If any existing fence or Perimeter Wall/Fence is installed on the property line between an Owner's Lot and the Lot or Common Area adjacent to such Owner's Lot, no fence may be installed on such Owner's Lot that is parallel with such existing fence or Perimeter Wall/Fence. With ARC approval, such Owners may install fences on their Lots which abut perpendicularly (or at such other angle as is consistent with the angle of the lot line of such Owner's Lot as same abuts the existing fence or Perimeter Wall/Fence) against such existing fence or Perimeter Wall/Fence, but no such fence shall be affixed to such existing fence or Perimeter Wall/Fence. Due to the Association's maintenance requirements and responsibilities, the installation of fences other than Perimeter Walls/Fences within a drainage easement area is not expected to be approved by the ARC. Fences may be installed within a utility easement area with ARC approval. However, in

the event a fence is installed within a drainage easement area or utility easement area, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed for repairs or utility easement area needs to be accessed for installation, repair or maintenance of utilities. Owners installing, maintaining, repairing or replacing fences in drainage easement areas or utility easement areas shall be responsible for repair of all damage to all portions of the SWMS or any utility facilities or any other Common Area improvements located within same in connection with any such installation, maintenance, repair or replacement. If such Owner does not repair any such damage, the Association may, but shall not be obligated to, repair such damage and assess all costs and expenses incurred in connection with same as an Individual Assessment against such Owner's Lot. In connection with any ARC approval for fences installed within any such areas, the ARC may require such Owner to obtain, at his or her own cost and expense, an agreement in writing executed by the Association approving such fence, which agreement may be recorded in the Public Records at such Owner's expense by the Association in its sole and absolute discretion. All screening and screened enclosures shall have the prior written approval of the ARC and shall be in compliance with the Architectural Guidelines. All enclosures of balconies or patios, including addition of vinyl windows, shall be approved by the ARC and all decks shall have the prior written approval of the ARC.

12.15 Fuel Storage. No fuel storage shall be permitted within WINGATE LANDING, except as may be necessary or reasonably used for swimming pools, spas, barbecues, fireplaces or similar devices and in compliance with the Rules and Regulations and with all applicable laws and codes. All outdoor fuel storage tanks shall be appropriately screened by fence, enclosure or landscaping so that the fuel storage tank cannot be viewed from outside the Lot in accordance with the applicable requirements of the Architectural Guidelines, if any, and subject to approval by the ARC pursuant to Section 19 below.

12.16 Garages. Each Home shall have an enclosed garage sufficient, at a minimum, to contain two (2) vehicles. No garage shall be converted into a general living area. Garage doors shall remain closed at all times except when vehicular or pedestrian access is required or during times when the Owner or Lessee is conducting Home, yard or landscaping maintenance or cleaning the garage.

No outside burning of trash or garbage is permitted. No garbage cans, supplies or other similar articles shall be maintained on any Lot so as to be visible from outside the Home or Lot. Each Owner shall be responsible for properly depositing his or her garbage and trash in garbage cans and trash containers sufficient for pick-up by the appropriate collection agencies in accordance with the requirements of any such agency. All such trash receptacles shall be maintained in a sanitary condition and shall be shielded from the view of adjacent properties and streets. Garbage cans and trash containers shall not be placed outside the Home for pick-up earlier than 7:00 p.m. on the day preceding the pick-up and shall be removed the day of pick-up.

12.18 General Use Restrictions. Each Home, the Common Areas and any portion of WINGATE LANDING shall not be used in any manner contrary to the Governing Documents.

12.19 Hurricane Shutters. Any hurricane shutters or other protective devices visible from outside a Home shall be of a type as approved in writing by the ARC and shall match the color or trim of the Home and be of a neutral color. Panel, accordion and roll-up style hurricane shutters may not be left closed during hurricane season (or at any other time). Any such approved hurricane shutters may be installed or closed up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning or as the Board may determine otherwise. Except as the Board may otherwise decide, shutters may not be closed at any time other than up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning. Any approval by the ARC shall not be deemed an endorsement of the effectiveness of hurricane shutters.

12.20 Irrigation. Due to water quality, the irrigation systems may cause staining on Homes, other structures or paved areas. It is each Owner's responsibility to treat and remove any such staining within the Owner's Lot. Declarant may utilize computerized loop systems to irrigate the Common Areas. Any such computerized loop irrigation system that is not specifically the maintenance obligation of an Owner, shall be the maintenance obligation of the Association and is deemed part of the Common Areas. The costs of operating and maintaining such computerized loop irrigation systems for the Common Areas shall be an Operating Expense.

12.21 Water Body Slopes. The rear yard of some Lots may border Retention Areas, lakes, ponds or water bodies forming part of the Common Areas or part of the SWMS. The Association will maintain portions of the Common Areas and SWMS contiguous to the rear yard of the Lot which comprise part of the water body slopes and banks to prevent or restore erosion of slopes and banks due to drainage or roof culvert outfalls. The Owners of such Lots shall maintain the part of such water body slopes and banks located on their Lot pursuant to Section 10.12 above. The Owner of each Lot bordering on the water body shall ensure that water body banks and slopes located on their Lot remain free of any structural or landscape encroachments so as to permit vehicular access for maintenance when needed. Each Owner of each Lot bordering on the water body, by the acceptance of a deed to their Lot, hereby grants Association an easement of ingress and egress across his or her Lot to all adjacent water body areas for the purpose of ensuring compliance with the requirements of this Section.

12.22 Laundry. Subject to the provisions of Section 163.04, Florida Statutes, to the extent applicable, no rugs, mops, or laundry of any kind, or any other similar type article, shall be shaken, hung or exposed so as to be visible outside the Home or Lot. Clotheslines may be installed in the rear of a Lot so long as not visible from the street or adjacent Lot (i.e. within a fenced yard); provided, that, any such clothesline shall be removed when it is not in use as a clothesline.

12.23 Lawful Use. No immoral, improper, offensive, unlawful or obnoxious use shall be made in any portion of WINGATE LANDING. All laws, zoning ordinances and regulations of all governmental entities having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental entities for maintenance, modification or repair of a portion of WINGATE LANDING shall be the same as the responsibility for maintenance and repair of the property concerned.

12.24 Leases. Homes may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home. Individual rooms of a Home may not be leased on any basis. No transient tenants may be accommodated in a Home. All leases or occupancy agreements of Homes (collectively, "Lease Agreements") are subject to the provisions of this Section 12.24. All Lease Agreements shall be in writing. A copy of all Lease Agreements shall be provided to the Association. No Home may be leased or occupied on a daily, nightly, weekly, monthly or any other basis other than for a term of not less than one (1) year, and no Home may be leased more than two (2) times in any calendar year unless otherwise approved by the Association in the case of hardship. The Lessee, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by the Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her Lessee and all other occupants of their Home should the Lessee or occupants refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by the Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such Lessee or occupants and the costs of the same shall be charged to the Owner as an Individual Assessment. All Lease Agreements shall require the Home to be used solely as a private single family residence. Each leased Home shall be occupied by Lessees of the Lessee's Immediate Family Members, overnight guests and professional caregivers as a residence and for no other purpose. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home.

12.25 Minor's Use of Commonly Shared Facilities. Parents and legal guardians shall be responsible for all actions of their minor children at all times in and about WINGATE LANDING. Neither Declarant nor Association shall be responsible for any use of the Common Areas, by anyone, including minors. The Board of Directors may adopt reasonable rules and regulations governing minors' use of the Recreational Facilities.

12.26 No Objectionable Sounds or Emissions. WINGATE LANDING shall be used, enjoyed and occupied in such manner as not to cause or produce any of the following effects discernible outside any buildings: noise or sound that is objectionable to others because of its volume, duration, beat frequency or shrillness; smoke; noxious, toxic or corrosive fumes, chemicals and/or gases; obnoxious odors; trash, waste, debris, dust, dirt or fly ash; fire or explosive hazards; vibration; or interference with normal television, radio, telephone and/or other telecommunication reception by others.

12.27 Nuisances. No noxious, unpleasant, abusive, threatening or offensive activity, nuisance or any use or practice that is the source of unreasonable annoyance or a threat to safety and security or breach of peace to others or which interferes with the peaceful possession and proper use of WINGATE LANDING is permitted. No person shall interfere with the Declarant, Association, Association's Directors, Officers or committee members, the Manager, or the employees, agents, vendors and contractors of any of the foregoing parties in exercising their rights or performing their obligations under or pursuant to the Governing Documents, and any applicable contracts, statutes, ordinances and regulations. No firearms shall be discharged within WINGATE LANDING except discharge of firearms as permitted to protect persons or property under current

No oil, drilling development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or on any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or on any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted on any Lot.

12.29 Paint. The exterior of Homes shall be re-painted within forty-five (45) days of notice by the ARC to the Owner of the applicable Lot.

12.31 Removal of Soil and Additional Landscaping. Without the prior consent of the ARC, no Owner shall remove soil from any portion of WINGATE LANDING, change the elevation, level or slope of the land within WINGATE LANDING, or plant landscaping which results in any permanent change in the flow and drainage of surface water within WINGATE LANDING. Owners may place additional plants, shrubs, or trees within any portion of their respective Lots with the prior written approval of the ARC, which may be withheld as provided in Section 19.8 below. The Association may, in its sole discretion, replace or plant additional plants, shrubs, or trees within the portions of the Common Areas of WINGATE LANDING for which the Association is responsible for landscape maintenance under this Declaration.

12.32 Roofs, Driveways and Pressure Cleaning. Roofs, exterior surfaces and/or pavement, including, but not limited to, walks and drives, shall be pressure cleaned within thirty (30) days of notice by the Association to the Owner of the Lot. No surface applications to driveways shall be permitted without the prior written approval of the ARC as to material, color and pattern. Such applications shall not extend beyond the Lot line or include the sidewalk. All roofs must be in compliance with the Architectural Guidelines.

12.33 Swimming Pools, Hot Tubs and Spas. No above-ground pools, hot tubs or spas shall be permitted on any Lot. fixed, established and collected from time to time by the Association (collectively, the "Assessments"). As Vacant Lots (as defined herein) and Spec Lots (as defined herein) are not improved or may not receive certain services, Declarant and any record title owner of a Vacant Lot or a Spec Lot shall not be assessed uniformly with Lots containing completed Homes which are not Spec Lots.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining WINGATE LANDING, and in particular, without limitation, for (i) the improvement, maintenance, repair and replacement of the Common Area and Common Area improvements within WINGATE LANDING, including the SWMS and Conservation Easement Property as well as any mitigation or preservation areas, including but not limited to work within Retention Areas, drainage structures and drainage easements, (ii) maintaining and irrigating the entryways to WINGATE LANDING, and (iii) maintaining all Recreational Facilities and parks within WINGATE LANDING. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including without limitation, payment of Operating Expenses and collection of amounts necessary to pay any deficits from prior years' operation, but excluding assessments for Reserves ("Installment Assessments");

17.2.2 Intentionally Deleted.

17.2.3 Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Surface Water Management System, or nonrecurring expenses ("Special Assessments");

17.2.4 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use ("Use Fees");

17.2.5 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the "Reserves"), including without limitation, Reserves for maintenance, repair and replacement of the Surface Water Management System, Recreational Facilities, and any other Common Area improvements or infrastructure operated or maintained by the Association. Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established;

17.2.6 Any specific assessment for costs incurred by the Association which amounts are by their nature applicable only to one or more Lots, but less than all Lots ("Individual Assessments"). By way of example and not limitation, in the event an Owner

fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.2.7 Emergency Assessments. The Association may also levy an emergency assessment ("Emergency Assessment") at any time by a majority vote of the Board, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters that affect the Common Areas, the Lots or Homes or Members of the Association, including but not limited to, after depletion of any applicable reserves, any unexpected expenditures not provided for by the budget or unanticipated increases in the amounts budgeted. Any Emergency Assessment levied hereunder shall be due and payable at the time and in the manner specified by the Board of Directors in the action imposing such Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in WINGATE LANDING conveyed to Owners or any greater number determined by Declarant from time to time. Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a "Vacant Lot") and any Lot that has a Home constructed thereon but is owned by the Declarant (a "Spec Lot") also shall be assessed at ten percent (10%) of the Installment Assessment assessed to Lots with Homes constructed thereon and owned by Owners. The Vacant Lot Assessment and the Spec Lot Assessment shall be additional income to the Association and Vacant Lots and Spec Lots shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall Declarant pay Special Assessments.

17.4.2 In the event the Operating Expenses, as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less

than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover Date, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.5 General Assessments Allocation. Installment Assessments shall be uniform for all Lots improved with a Home, except as provided in this Declaration. Special Assessments and Reserves shall be allocated equally to each Owner. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots and Spec Lots shall be assessed at ten percent (10%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Installment Assessment amount reflects that such Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Vacant Lot or Spec Lot, as applicable, shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Except as herein specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners in the prior fiscal year, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, Declarant shall have the option to (i) pay any Operating Expenses incurred by the

Association that exceed the Assessments receivable from Owners and other income of the Association (the "Deficit"), or (ii) pay Assessments on Homes or Lots owned by Declarant at the applicable rate of Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A Members. Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay Assessments on Future Development Tracts, (ii) pay Assessments if Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by Declarant, (iii) pay Special Assessments or Reserves, or (iv) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation of funding of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for the Deficit and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots and Spec Lots, owned by Class A Members. Declarant shall not be responsible for any Reserves or Special Assessments, even after the Turnover. Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES. AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES, ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Association. Assessments shall be payable by each Owner as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes. The Board may from time to time determine when the Installment Assessments will be collected by the Association (i.e. monthly, quarterly,

or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses shall be collected on a monthly basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Declarant.

17.10.3 Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of a Lot from the Declarant shall pay to the Association an initial contribution in an amount determined by the Board from time to time, subject to the prior written approval of such amount by the Declarant (the "Initial Contribution") at the time of closing of the conveyance. The funds derived from the Initial Contributions are deemed income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.12 Resale Contribution. After the conveyance of a Lot in which an Initial Contribution is paid or payable as provided in Section 17.11 above, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in an amount determined by the Board from time to time (the "Resale Contribution"). The Resale Contribution shall not be applicable to conveyances from Declarant. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received by such Owner. Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within ten (10) business days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Association or Manager (as defined below) engaged by the Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from, the lien of any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. Failure by a Lender to furnish a notice of default to the Association shall not result in liability of the Lender because such notice is given as a courtesy to the Association and the furnishing of such notice is not an obligation of any Lender to the Association. Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender with respect to such payment. All amounts advanced on behalf of a record title owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period. Each of such Assessments so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided however that if any such Assessments so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose Assessments were so accelerated shall continue to be liable

for the balance due by reason of such increase and Special Assessments against such Lot shall be levied by the Association for such purpose.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month or five percent of the delinquent installments whichever is greater (or such greater amount established by the Board and permitted by applicable law), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. Subject to providing any prior notice as may be required by law, if any, the Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, Declarant, at Declarant's sole option, may pay Installment Assessments on Lots and Homes owned by it, or fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of WINGATE LANDING subject to this Declaration from the Assessments, provided that such part of WINGATE LANDING exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of WINGATE LANDING exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to Declarant for such purposes. If Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus

interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. Association, Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. All such payments made by a Lessee to the Association shall be credited against rent and other sums due from such Lessee to such Owner. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

## 18. Information to Lenders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

19. Architectural Control.

19.1 Architectural Review Committee. The ARC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to WINGATE LANDING. The ARC shall consist of a minimum of three (3) members who shall initially be named by Declarant and who shall hold office at the pleasure of Declarant. Until the Community Completion Date, Declarant shall have the right to change the number of members on the ARC, and to appoint, remove, and replace all members of the ARC. Declarant shall determine which members of the ARC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Declarant, Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If Declarant fails to replace that member, the remaining members of the ARC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Declarant with respect to the ARC.

19.2 Membership. There is no requirement that any member of the ARC be a Member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of WINGATE LANDING. Accordingly, the ARC shall have the right to approve or disapprove all architectural, landscaping, and improvements within WINGATE LANDING by Owners. The ARC shall have the right to evaluate all plans and specifications as to consistency with the Architectural Guidelines, harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ARC. The ARC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion.

19.4 Master Plan. Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, DECLARANT MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING WINGATE LANDING. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW WINGATE LANDING WILL APPEAR UPON COMPLETION AND DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Architectural Guidelines. Each Owner and its contractors and employees shall observe and comply with, and all construction or installation of landscaping or improvements in WINGATE LANDING shall be consistent with, the Architectural Guidelines which now or may hereafter be promulgated by the Declarant or the ARC as same may be amended from time to time. The Architectural Guidelines shall be effective from the date of adoption or amendment, as applicable; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as if set forth herein verbatim. The Architectural Guidelines shall not require any Owner to alter the improvements previously constructed in compliance with or exempt from compliance with Architectural Guidelines then in effect at the time of construction of same. Until the Community Completion Date, Declarant shall have the right to approve, adopt or amend the Architectural Guidelines in its sole discretion.

19.6 Quorum. A majority of the ARC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARC. In lieu of a meeting, the ARC may act in writing.

19.7 Power and Duties of the ARC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon on a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by Declarant (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ARC.

19.8 Procedure. In order to obtain the approval of the ARC, each Owner shall observe the following:

19.8.1 Each applicant shall submit an application to the ARC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ARC. The applications shall include such information as may be required by the application form adopted by the ARC. The ARC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ARC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ARC.

19.8.2 In the event the information submitted to the ARC is, in the ARC's opinion, incomplete or insufficient in any manner, the ARC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.8.3 No later than forty-five (45) days after receipt of all information required by the ARC for final review, the ARC shall approve or deny the application in writing. The ARC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ARC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ARC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ARC fails to respond within said forty-five (45) day period, the plans and specifications shall be deemed disapproved by the ARC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ARC.

19.8.5 In the event that the ARC disapproves any plans and specifications, the applicant may request a rehearing by the ARC for additional review of the disapproved plans and specifications. The meeting shall take place no later than forty-five (45) days after written request for such meeting is received by the ARC, unless applicant waives this time requirement in writing. The ARC shall make a final written decision no later than forty-five (45) days after such meeting. In the event the ARC fails to provide such written decision within said forty-five (45) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ARC are the same), the applicant may appeal the decision of the ARC to the Board within thirty (30) days of the ARC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ARC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ARC shall be subject to the approval of the ARC in the same manner as required for approval of original plans and specifications.

19.10 Variances. Association or ARC shall have the power to grant variances from any requirements set forth in this Declaration or from the Architectural Guidelines, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Architectural Guidelines on any other occasion.

19.11 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners after consent of the ARC has been obtained:

19.12.1 Each Owner shall deliver to the ARC, if requested, copies of all construction and building permits as and when received by the Owner, as applicable. Each construction site in WINGATE LANDING shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in WINGATE LANDING shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in WINGATE LANDING and no construction materials shall be stored in WINGATE LANDING, subject, however, to such conditions and requirements as may be promulgated by the ARC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Architectural Guidelines. If an Owner (or any of its contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ARC may require that such Owner post security with the Association in such form and such amount deemed appropriate by the ARC in its sole discretion.

19.12.2 There shall be provided to the ARC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "Contractors") and changes to the list as they occur relating to construction. The ARC shall have the right to require that each Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ARC.

19.12.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Architectural Guidelines by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ARC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ARC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in WINGATE LANDING.

19.12.4 The ARC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within WINGATE LANDING. Each Owner and Contractor shall comply with such standards and cause its respective employees to also comply with same. The ARC may also promulgate

requirements to be inserted in all contracts relating to construction within WINGATE LANDING and each Owner shall include the same therein.

19.13 Inspection. There is specifically reserved to the Association and ARC and to any agent or member of either of them, the right of entry and inspection upon any portion of WINGATE LANDING at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Architectural Guidelines.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner, as applicable, shall, upon demand of the Association or the ARC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ARC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ARC and/or Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Architectural Guidelines, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate of Non-Compliance. In the event that any Owner fails to comply with the provisions contained herein, the Architectural Guidelines, or other rules and regulations promulgated by the ARC, the Association and/or ARC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ARC, certifying that the Owner, as applicable, has complied with the requirements set forth herein. The ARC may, from time to time, delegate to a member or members of the ARC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ARC's rights set forth in this Section 19. The issuance of a Certificate of Compliance by the ARC with respect to any improvements shall not be deemed a representation that such improvements comply with any or all applicable health, safety or building codes applicable to such improvements or representation regarding the structural integrity, workmanship, materials, design, systems, safety or any other aspect or matter with respect to such improvements.

19.18 Exemption. Notwithstanding anything to the contrary contained herein, or in the Architectural Guidelines, any improvements of any nature made or to be made by Declarant, including without limitation, improvements made or to be made to the Common Areas or any Lot, shall not be subject to the review of the ARC, the Association, or the provisions of this Declaration or the Architectural Guidelines.

19.19 Exculpation. Declarant, Association, the directors or officers of the Association, the ARC, the members of the ARC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Declarant, Association, ARC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications or the issuance of a Certificate of Non-Compliance or a Certificate of Compliance with respect to such Owner's Lot or any improvements constructed thereon. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against Declarant, Association or their respective directors or officers, the ARC or the members of the ARC, or their respective agents, in order to recover any damages caused by the actions of Declarant, Association, or ARC or their respective members, officers, or directors in connection with the provisions of this Section. Association does hereby indemnify, defend and hold Declarant and the ARC, and each of their members, officers, and directors harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ARC or their members, officers and directors. Declarant, Association, its directors or officers, the ARC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency and compliance thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration or Governing Documents including, without limitation, any provision herein benefiting SJRWMD;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede Declarant or Association from exercising its rights or performing its responsibilities hereunder;

20.1.4 Undertake unauthorized improvements or modifications to a Lot or Common Areas; or

20.1.5 Impede Declarant from proceeding with or completing the development of WINGATE LANDING, as the case may be;

Then Declarant and/or Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner, as applicable, as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Declarant or Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, as applicable, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief: and/or

20.2.2 Commence an action to recover damages: and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner, as applicable, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to Declarant, Association and/or the ARC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Architectural Guidelines, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Architectural Guidelines may be enforced by Declarant and/or, where applicable, Owners, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Architectural Guidelines shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Architectural Guidelines. SJRWMD shall

have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's Lessees and their respective Immediate Family Members, guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes, against an Owner, Lessee, Immediate Family Member, guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting SJRWMD and the Rules and Regulations and Architectural Guidelines.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "Compliance Committee") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Compliance Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, Lessee, Immediate Family Member, guest or invitee and detail the infraction or infractions. Included in the notice shall be the location, date and time of the hearing of the Compliance Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Compliance Committee acting as a tribunal, after which the Compliance Committee shall hear reasons why a fine or suspension should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Compliance Committee from time to time. A written decision of the Compliance Committee shall be submitted to the Owner, Lessee, Immediate Family Member, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Compliance Committee. The Owner, Lessee, Immediate Family Member, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Compliance Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation and there is no cap on the aggregate amount the Compliance Committee may fine an Owner, tenant, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall

be allocated as directed by the Board of Directors, including, without limitation, existing and future Operating Expenses, capital improvements, support costs and administrative costs. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

20.6.5 Notwithstanding the foregoing, the Compliance Committee may not suspend the right of any Owner, Lessee, Immediate Family Member, guest or invitee to use those portions of the Common Areas used to provide access or utility services to any Lot or Home or impose a suspension which impairs the right of any Owner, Lessee or Immediate Family Member to have vehicular and pedestrian ingress to and egress from their Lot or Home, including, but not limited to, the right to park vehicles as permitted in this Declaration.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of WINGATE LANDING and sales and re-sales of Lots, Homes and/or other properties owned by Declarant or others outside of WINGATE LANDING. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of WINGATE LANDING, including Common Areas, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of Declarant. Declarant shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date

21.2 Modification. The development and marketing of WINGATE LANDING will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Architectural Guidelines, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of WINGATE LANDING to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within WINGATE LANDING and/or on the Common Areas without any charge for use. Declarant, its agents, affiliates, or assignees shall have the right to market WINGATE LANDING in advertisements and other media by making reference to WINGATE LANDING, including, but not limited to, pictures or drawings of WINGATE LANDING, Common Areas, Parcels and Homes constructed in WINGATE LANDING. All logos, trademarks, and designs used in connection with WINGATE

LANDING are the property of Declarant, and Association shall have no right to use the same after the Community Completion Date except with the express written permission of Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, Declarant shall have the right, without charge, to use the Common Areas, including the Recreational Facilities for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by Declarant outside of WINGATE LANDING.

21.5 Franchise s. Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. Declarant may contract with a third party ("Manager") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, Declarant reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Community Systems, Community Services and other purposes over, under, upon and across WINGATE LANDING so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, as applicable, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, Declarant may grant an easement for Community Systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot or to be constructed on such Lot by a Builder or over any Common Area as provided above. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of Declarant which may be granted or denied in its sole discretion.

21.8 Right to Enforce. Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Architectural Guidelines and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees and cost at all levels of proceeding, including before trial, in mediation, arbitration and other alternative dispute, resolution proceedings, at all trial levels and appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If Declarant withdraws portions of WINGATE LANDING from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

21.10 Representations. Declarant makes no representations concerning development both within and outside the boundaries of WINGATE LANDING including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on WINGATE LANDING or adjacent to or near WINGATE LANDING, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered regarding the Common Areas and Recreational Facilities.

21.11 [Intentionally Omitted]

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, THE DECLARANT, THE ASSOCIATION AND THE INDEMNIFIED PARTIES SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF WINGATE LANDING INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF WINGATE LANDING HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF WINGATE LANDING AND THE VALUE THEREOF:

21.12.2 ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA AND/OR CITY OF JACKSONVILLE OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS

LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF WINGATE LANDING (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE.

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN DUVAL COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN DUVAL COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN DUVAL COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OPPORTUNITY TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE, SUCH RELIANCE IS DETRIMENTAL TO DECLARANT AND, ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE

POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR DECLARANT TO SUBJECT WINGATE LANDING TO THIS DECLARATION AND/OR FOR DECLARANT TO SELL A LOT OR HOME TO SUCH OWNER, EACH OWNER, BY ACCEPTANCE OF A DEED WITH RESPECT TO THEIR LOT OR HOME, SHALL BE DEEMED TO RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE DECLARANT, THE DECLARANT AND INDEMNIFIED PARTIES FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS, CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER IN LAW OR IN EQUITY WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER HEREAFTER CAN, SHALL OR MAY HAVE AGAINST DECLARANT OR THE DECLARANT INDEMNIFIED PARTIES FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

21.16 Duration of Rights. The rights of Declarant set forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) the Community Completion Date; or (ii) a relinquishment by Declarant in an amendment to the Declaration recorded in the Public Records.

21.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of WINGATE LANDING, and may form condominium associations, sub-associations, or cooperatives governing such property. Any such instrument shall be consistent with the provisions of Section 5, and no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of WINGATE LANDING without Declarant's prior review and prior written consent. Evidence of Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

21.18 Right to Approve Sales Materials. Prior to the Community Completion Date, all sales, promotional, and advertising materials for any sale of property in WINGATE LANDING may be subject to the prior written approval of Declarant. Declarant shall deliver notice of Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents, and, if disapproved, set forth the specific changes requested. If Declarant fails to do so within such thirty (30) day period, Declarant shall be deemed to have waived any objections to such materials and documents and to have approved the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

21.19 Use Name of "WINGATE LANDING". No person or entity shall use the name "WINGATE LANDING," its logo, or any derivative of such name or logo in any printed or promotional material without the Declarants prior written approval. Until the Turnover Date, the Declarant shall have the sole right to approve the use of WINGATE LANDING name and logo,

and such right shall automatically pass to the Association after the Turnover Date. However, Owners may use the name WINGATE LANDING in printed or promotional matter where such term is used solely to specify that particular property is located within WINGATE LANDING. Nothing herein shall grant any other party the right to use such name for any other purpose or in connection with or with respect to any other property.

21.20 Density Transfers. If any party shall develop any portion of WINGATE LANDING so that the number of Lots contained in such portion of WINGATE LANDING is less than the allowable number of Lots allocated by governmental authorities to that particular Parcel, the excess allowable Lots not used by the such party (with respect to that Parcel) shall inure to the benefit of Declarant.

22. Refund of Taxes and Other Charges. Unless otherwise provided herein, Association agrees that any taxes, fees or other charges paid by Declarant to any governmental authority, utility company or any other entity which at a later date are refunded in whole or in part, shall be returned to Declarant in the event such refund is received by the Association.

23. Assignment of Powers. All or any part of the rights, exemptions and powers and reservations of Declarant, as the case may be, herein contained may be conveyed or assigned in whole or part to other persons or entities by an instrument in writing duly executed, acknowledged, and, at Declarant's option, recorded in the Public Records.

24. General Provisions.

24.1 Authority of Board. Except when a vote of the Membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by the Board. The Association and Owners shall be bound thereby.

24.2 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

24.3 Execution of Documents. Declarant's plan of development for WINGATE LANDING including, without limitation, the creation of one (1) or more special taxing districts may necessitate from time to time the execution of certain documents as required by the City or any other governmental agencies. To the extent that said documents require the joinder of Owners, Declarant, by its duly authorized officers, may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents (including, without limitation, any consents or other documents required by any governmental agencies in connection with the creation of any special taxing district); and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact, for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot or any other portion of WINGATE LANDING, to execute or otherwise join in any petition and/or other documents required in connection with the creation of any special taxing district relating to WINGATE LANDING or any portion(s) thereof.

24.4 Affirmative Obligation of the Association. In the event that Association believes that Declarant has failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law or the Common Areas are defective in any respect, Association shall give written notice to Declarant detailing the alleged failure or defect. Association agrees that once Association has given written notice to Declarant pursuant to this Section, Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Declarant.

24.5 Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

24.6 Florida Statutes. Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist on the date this Declaration is recorded except to the extent provided otherwise as to any particular provision of the Florida Statutes.

24.7 Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF WINGATE LANDING ARE HEREBY PLACED ON NOTICE THAT (1) DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES AND/OR (2) ANY OTHER PARTIES WILL BE, FROM TIME TO TIME, CONDUCTING CONSTRUCTION ACTIVITIES, BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO WINGATE LANDING, WHICH MAY CAUSE NOISE, DUST OR OTHER TEMPORARY DISTURBANCE. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF WINGATE LANDING, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO WINGATE LANDING WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SUCH DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF

WINGATE LANDING HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

24.8 Title Documents. Each Owner by acceptance of a deed to a Lot acknowledges that such Lot is subject to certain land use and title documents recorded in the Public Records or issued by the City (collectively, the "Title Documents"). Declarant's plan of development for WINGATE LANDING may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DECLARANT RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. To the extent that such documents require the joinder of Owners, Declarant, by any one of its duly authorized officers, may, as the agent and/or the attorney-in-fact for the Owners, execute, acknowledge and deliver any documents required by applicable governmental subdivision or agency; and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through any one of its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. This appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot: (i) to execute or otherwise join in any documents required in connection with the amendment, modification, or termination of the Title Documents; and (ii) that such Owner has waived its right to object to or comment on the form or substance of any amendment, modification, or termination of the Title Documents. Without limiting the foregoing, upon the Community Completion Date, Association shall assume all of the obligations of Declarant under the Title Documents unless otherwise provided by Declarant by amendment to this Declaration recorded by Declarant in the Public Records, from time to time, and in the sole and absolute discretion of Declarant.

24.9 Intentionally Deleted.

24.10 Notices and Disclaimers as to Security Services and Systems. Declarant, the Association, or their successors, assigns or franchisees and any applicable Community Service Providers may enter into contracts for the provision of security systems or services through Community Services and/or Community Systems. DECLARANT, THE ASSOCIATION, SUCH COMMUNITY SERVICE PROVIDERS AND THEIR FRANCHISEES, DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SECURITY SERVICES, OR THAT ANY SUCH SECURITY SYSTEMS OR SECURITY SERVICES WILL PREVENT INTRUSIONS, FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT SUCH SECURITY SYSTEMS OR SECURITY SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY OWNER OR OCCUPANT OF A HOME SERVICED BY SUCH SECURITY SERVICES OR SECURITY SYSTEMS ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION OR ANY SUCCESSOR, ASSIGN OR FRANCHISEE OF DECLARANT, THE ASSOCIATION OR ANY OF THE OTHER AFORESAID ENTITIES AND ANY SUCH COMMUNITY SERVICE PROVIDERS WITH RESPECT TO SAME ARE NOT INSURERS OF THE SAFETY, SECURITY OR PROPERTY OF THE OWNER OR OCCUPANT OR OTHERS LOCATED

WITHIN WINGATE LANDING AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the part of a Community Service Provider to perform any of its obligations with respect to any such security services or security systems and, therefore, every Owner or occupant of a Home receiving any such security services or benefitting from any such security systems agrees that Declarant, the Association or any successor, assign or franchisee thereof and any such Community Service Provider assumes no liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without limitation, failure to monitor the community or any such security systems, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Owner's or the community's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence, active or otherwise, of the Community Service Provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of Declarant, the Association or such Community Service Provider. Every Owner or occupant of property obtaining security services through Community Services or Community Systems further agrees for himself, their grantees, Lessees and their respective Immediate Family Members, guests, invitees and licensees that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of such systems, or from failure of performance, defective performance or negligence, active or otherwise, of the Community Service Provider or its officers, agents, or employees, the liability, if any, of Declarant, the Association or any other Indemnified Party for loss, damage, injury or death sustained shall be limited to a sum not exceeding Two Hundred Fifty and No/00 (\$250.00) U.S. Dollars, which limitation shall apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by Declarant, the Association, the Community Service Provider or any Indemnified Party. Further, in no event will Declarant, the Association, any Indemnified Party, any Community Service Provider or any of their franchisees, successors or assigns, be liable for consequential damages, wrongful death, personal injury or commercial loss.

24.11 Enforcement of Governing Documents. Enforcement of the Governing Documents, including without limitation this Declaration, may be by proceeding at law for damages or in equity to compel compliance with the terms hereof or to prevent violation or breach of any of the covenants or terms herein. The Declarant, the Association, or any Owner may, but shall not be required to, seek enforcement of the Governing Documents.

24.12 Electronic or Video Communication. Wherever the Governing Documents require members' attendance at a meeting either "in person or by proxy," members may attend and participate at such meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication; provided, however, members may attend and participate in this manner only if a majority of the Board approved use of telephone, real-time videoconferencing, or similar real-time electronic or video communication for participation and attendance at meetings.

24.13 Electronic Transmission as Substitute for Writing. Wherever the Governing Documents require action by the Association to be taken in writing, such action may be taken by

Electronic Transmission, with the exception of the following: (i) giving notice of a meeting called in whole or in part for the purpose of recalling and removing a member of the Board; and (ii) when levying fines, suspending use rights, requesting dispute resolution, or collecting payments for assessments and providing notice of lien claims.

25. Surface Water Management System.

25.1 Surface Water Management System. The Association shall be responsible for the maintenance, operation and repair of the SWMS, ditches, canals, lakes and Retention Areas in WINGATE LANDING. Maintenance of the SWMS shall mean the exercise of practices which allow the SWMS to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the SWMS shall be as permitted, or if modified as approved by the SJRWMD. Operation and maintenance and any required reinspection of the SWMS shall be performed in accordance with the terms and conditions of the Permit. All portions of the SWMS within WINGATE LANDING, excluding those areas (if any) normally maintained by the City or another governmental agency, will be the ultimate responsibility of the Association, whose agents, employees, contractors and subcontractors may enter any portion of the Common Areas and make whatever alterations, improvements or repairs that are deemed necessary to provide or restore property water management. All private drainage easements specifically granted or dedicated to the Association on the Plat or by separate instrument, including Drainage Swale Easements, (the "**Private Drainage Easements**") shall be Common Areas. Such Private Drainage Easements will be regulated by the Association and maintained by the Owner of such Lot, including regular mowing, maintenance, replacement and irrigation of sod and landscaping to prevent erosion of slopes or swales. In the event any Owner fails to maintain any Private Drainage Easement on such Owner's Lot, the Association may maintain or restore same and the costs incurred in connection with such maintenance and restoration shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. The Declarant hereby grants the Association an easement of ingress and egress across all Lots containing Private Drainage Easements for the purpose of regulating and maintaining same.

25.1.1 Except as permitted by the Permit, no construction activities may be conducted relative to any portion of the SWMS without the prior written consent of SJRWMD. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the SWMS. To the extent there exists within WINGATE LANDING a wetland mitigation area or a wet detention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from SJRWMD. Construction and maintenance activities which are consistent with the design and permit conditions approved by SJRWMD in the Permit may be conducted without specific written approval from SJRWMD.

25.1.2 No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair, or landscaping purposes by Declarant, the Association or any appropriate governmental agency that may reasonably require access. Nonexclusive easements therefor are hereby specifically reserved and created.

25.1.3 No Lot, Parcel or Common Area shall be increased in size by filling in any Retention Area lake, pond or other water retention or drainage areas which it abuts, and no portion of any Retention Area lake, pond or other water retention or drainage areas which is located on any Lot shall be filled. No person shall fill, dike, rip-rap, block, divert or change the established water retention and drainage areas that have been or may be created without the prior written consent of the Association. No person other than the Declarant or the Association may draw water for irrigation or other purposes from any Retention Area lake, pond or other water management area, nor is any boating, swimming, or wading in such areas allowed except as expressly permitted in this Declaration.

25.1.4 The maintenance of all SWMS and conservation areas, if any, excluding those areas (if any) maintained by the City or another governmental agency, will be the ultimate responsibility of the Association. The Association may enter any Lot, Parcel or Common Area and make whatever alterations, improvements or repairs are deemed necessary to provide, maintain, or restore proper SWMS. NO PERSON MAY REMOVE NATIVE VEGETATION THAT MAY BECOME ESTABLISHED WITHIN THE CONSERVATION AREAS. "REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.

25.1.5 Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SWMS or conservation areas, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including SJRWMD, the City, the Association and the Declarant.

25.1.6 SJRWMD and the City have the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the SWMS or in mitigation or conservation areas under the responsibility or control of the Association.

25.1.7 As more particularly set forth in Section 25.2 hereof, any amendment of the Declaration affecting the SWMS or the operation and maintenance of the SWMS and any proposed conveyance or abandonment of any Common Areas containing or affecting the SWMS shall have the prior written approval of SJRWMD and the City, as appropriate.

25.1.8 No Owner may construct or maintain any building, residence or structure, or undertake or perform any activity in the Conservation Easement Property or any wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in any Conservation Easement, Private Drainage Easement or Drainage Swale Easement, the Permit and Plat of WINGATE LANDING, unless prior approval is received from the SJRWMD and the City, as appropriate.

25.1.9 Each Owner within WINGATE LANDING at the time of the construction of a building, residence, or structure shall comply with the construction plans for the SWMS approved and on file with SJRWMD and the City, as applicable.

25.1.10 Owners shall not remove native vegetation (including cattails) that becomes established within the Retention Areas, lakes, Private Drainage Easements,

Conservation Easement Property, wetlands, preserves, upland buffers or similarly designated areas within or abutting their property. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the Retention Areas, ponds, lakes or Conservation Easement Property to SJRWMD and the City.

25.1.11 No Owner shall conduct any construction, clearing or grading within any Private Drainage Easement or Drainage Swale Easement or otherwise improve or alter the character of any Private Drainage Easement or Drainage Swale Easement.

25.2 Proviso. Any proposed amendment to the Governing Documents that alters the SWMS, beyond maintenance in its original condition, including mitigation or preservation areas, conservation areas and/or the water management portions of the Common Areas, must have the prior approval of the SJRWMD. Notwithstanding any other provision in this Declaration, no amendment of the Governing Documents by any person, and no termination or amendment of this Declaration, will be effective to change the Association's responsibilities for the SWMS or any conservation areas, unless the amendment has been consented to in writing by SJRWMD. Any proposed amendment which would affect the SWMS or any conservation areas must be submitted to the SJRWMD for approval and for a determination of whether the amendment necessitates a modification of the Permit. Any amendment affecting the SWMS or conservation areas will not be finalized until any necessary modification of the Permit is approved by SJRWMD or the Association (or other permittee named in the Permit) is advised that a modification is not necessary.

25.3 Provision for Budget Expense. In the event WINGATE LANDING has on site wetland mitigation (as defined in the regulations) that requires monitoring and maintenance, the Association shall include in its budget an appropriate allocation of funds for monitoring and maintenance of the wetland mitigation area(s) each year until SJRWMD determines that the area(s) is successful in accordance with the Permit.

25.4 SJRWMD Enforcement. The SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the SWMS.

25.5 Indemnity. Declarant may be required to assume certain duties and liabilities for the maintenance of the SWMS or drainage system within the WINGATE LANDING under the plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Declaration, it shall indemnify and hold Declarant and all Declarant Indemnified Parties harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the SWMS occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees. Upon completion of construction of the SWMS, Declarant shall assign all its rights, obligations and duties thereunder to the Association. The Association shall accept such assignment and shall assume all such rights, duties and liabilities and shall indemnify and hold Declarant and all Declarant Indemnified Parties harmless therefrom.

25.6 Bradley Pond Drainage Easement Agreement. Declarant has entered into that certain Declaration of Drainage Easement and Other Interests with the Bradley Pond Association recorded December 12, 2022 in Official Records Book 20524, Page 364 of the Public Records (the "Bradley Pond Easement Agreement"). The Bradley Pond Easement Agreement grants and conveys for the benefit of the Bradley Pond Community and the Bradley Pond Association a non-exclusive drainage easement for conveyance of a portion of the stormwater outfall (the "Bradley Pond Stormwater Outfall") from the Bradley Pond Community into a Retention Area that is part of the WINGATE LANDING SWMS, all as permitted and approved by the SJRWMD and set forth in the Permit, into the Retention Area located in part within Tract E of the Plat and in part with Tracts 37 and 47 of the Bradley Pond Unit 2 Plat (the "Shared Retention Area"). The Shared Retention Area has been designed, permitted and constructed and will be operated and maintained by the Association to accommodate the Bradley Pond Stormwater Outfall as well as stormwater outfall for WINGATE LANDING, all in accordance with the requirements of the Bradley Pond Easement Agreement, the Permit and the SJRWMD. All costs of operation, operation, maintenance, repair and replacement of the Shared Retention Area, Tract E of the Plat and Tracts 37 and 47 of the Bradley Pond Unit 2 Plat will be Operating Expenses of the Association and neither the Bradley Pond Community nor Bradley Pond Association shall have any obligation to contribute towards such costs and expenses. The Bradley Pond Easement Agreement provides that, in the event that the Association fails to maintain the Shared Retention Area in accordance with the requirements of the Bradley Pond Easement Agreement, SJRWMD and the City, the Bradley Pond Association shall have the right, after thirty (30) days written notice and opportunity to cure to the Association, to perform any required maintenance, repair or replacement work with respect to the Shared Retention Area in order to comply with the requirements of the Permit, SJRWMD or City and to charge the Association 100% of the reasonable costs incurred by the Bradley Pond Association in connection with same. Any such reimbursement by the Association to the Bradley Pond Association in such event shall be considered an Operating Expense of the Association. Pursuant to Section 9 of the Bradley Pond Easement Agreement, Declarant hereby assigns and transfers to the Association all right, title, interest of Declarant in, and all duties and obligations of Declarant and WINGATE LANDING under, the Bradley Pond Easement Agreement. The Association, by its joinder in this Declaration, hereby accepts such assignment and assumes and agrees to perform all duties and obligations of Declarant and WINGATE LANDING under the Bradley Pond Easement Agreement. The foregoing assignment, acceptance and assumption with respect to the Bradley Pond Easement Agreement shall be and is effective upon the recording of this Declaration. Notwithstanding the foregoing, the Association, by its joinder in this Declaration, hereby agrees to execute such documents and take such actions as reasonably requested by Declarant to further effect, evidence and confirm such assignment, acceptance and assumption. Additional terms, conditions and provisions of the Bradley Pond Easement Agreement are more particularly set forth therein.

26. Additional Disclosures and Restrictions.

26.1 Disclosure of Agricultural Operations Near Project. Each Owner, by accepting a deed to a Lot, acknowledges that: (a) WINGATE LANDING is located in the vicinity of agricultural properties; (b) Lots within WINGATE LANDING may be subject to odors, fumes, smells and physically airborne particulates caused by the operation and maintenance of neighboring agricultural properties; and (c) pesticides, insecticides and fertilizers may drift over and disperse upon portions of WINGATE LANDING from time to time as a result of crop dusting

and other similar activities on neighboring agricultural properties involving the application of such substances.

26.2 Wild Animals. WINGATE LANDING is located adjacent or nearby to certain undeveloped areas which may contain various species of wild creatures (including, but not limited to, alligators, bears, panthers, raccoons, coyotes and foxes), which may from time to time stray onto WINGATE LANDING, and which may otherwise pose a nuisance or hazard, all risks associated with which each Owner accepts by their purchase of a Lot. Owners shall not feed wild creatures of any kind nor otherwise engage in conduct that attracts wild creatures onto any portion of the property. Conduct that may attract wild creatures onto WINGATE LANDING, and that may be restricted or regulated by the Association, includes, but is not necessarily limited to: (i) leaving food waste in containers or areas that are accessible by wild creatures, or allowing wild creatures to access food waste, pet food, BBQ grills, refrigerators or freezers in garages or on porches or patios; (ii) not picking fruit (including vegetables and berries) when they are ripe but allowing them to fall and remain on the ground; (iii) leaving birdfeeders out overnight; (iv) keeping bees; (v) not keeping garage doors closed in accordance with Section 12.16 hereof; and (vi) leaving trash containers outside overnight for next day pick-up by trash haulers, in lieu of putting them out in the morning of the day of pick-up. The Association, by and through the Board shall have the right to promulgate Rules and Regulations which regulate or restrict these activities or any other activities which, in the sole determination of the Board, attract wild creatures onto WINGATE LANDING. For purposes of illustration and not limitation of the foregoing sentence, the Board may promulgate Association Rules and Regulations mandating that Owners acquire, at their sole cost and expense, and use so called "Bear Resistant Trash Containers" for the disposition of food waste. Any such Bear Resistant Trash Containers shall be a type or types that are acceptable to the Association and that are capable of pick-up by any trash hauler(s) servicing the Project.

26.3 Street Lighting Agreement. The Association may enter into an agreement to provide street lighting throughout WINGATE LANDING with a utility provider or company on such terms as are acceptable to the Association in its sole discretion (the "Street Lighting Agreement"). The cost of providing street lighting to WINGATE LANDING pursuant to the Street Lighting Agreement, including all costs of installation, purchase, rental, operation (including utility charges), maintenance, repair and replacement, shall be an Operating Expense of the Association.

26.4 Safety and Security. The Association may, but shall not be obligated to, maintain or support various activities within WINGATE LANDING which are intended to foster or promote safety or security. In no event shall the Association, the Declarant or the Indemnified Parties in any way be considered insurers or guarantors of security or safety within WINGATE LANDING, nor shall any of them be held liable for any loss or damage by reason of the lack of adequate security or safety measures or the ineffectiveness of any security or safety measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system installed or security measures undertaken on or about WINGATE LANDING cannot be compromised or circumvented, nor that any such systems or security measures will prevent loss or provide the detection or protection for which they may be designed or intended. Each Owner, Lessee, Immediate Family Member, guest, invitee or other person entering upon WINGATE LANDING therefore and thereby acknowledges, understands and agrees that the Declarant, the Association, and the Indemnified Parties are not insurers of safety or security within

WINGATE LANDING and that each person entering upon WINGATE LANDING assumes all risks of loss or damage to persons and property resulting from the acts of third parties.

26.5 Community Systems and Community Services.

26.5.1 **Community Systems.** The Declarant may provide, the Declarant may enter into and assign to the Association contracts with other persons to provide, or the Association may provide or enter into contracts with other persons to provide, Telecommunications Services and Telecommunications Systems to serve WINGATE LANDING, including those based on and containing and serving future technology not now known (collectively, "**Community Systems**"). Such contracts may be Bulk Rate Contracts and may provide for installation, operation, management, maintenance and upgrades or modifications to the Community Systems. The Owner of each Home shall be responsible for ensuring that such Home is wired to connect to any Community Systems or to receive any Community Services. Prior to the Community Completion Date, each contract entered into pursuant to this section must be approved by Declarant.

26.5.2 **Community Services.** The Declarant may provide, the Declarant may enter into and assign to the Association contracts with other persons to provide, or the Association may provide or enter into contracts with other persons to provide, services to Owners and their Homes or Lots ("**Community Services**"). By way of example and not limitation, such Community Services might include such things as Telecommunication Services, utilities, fire protection, security, trash collection, lawn and/or landscape maintenance, pest control, and caretaker services. Any Association contract for Community Services may require individual Owners or occupants to execute separate agreements directly with the Community Service Provider in order to gain access to or obtain specified services. Such contracts and agreements may contain terms and conditions that, if violated by the Owner or occupant of a Home, may result in termination of the services provided to such Home. Any such termination shall not relieve the Owner of the continuing obligation to pay Assessments for such Home's share of any portion of the charges for such Community Services that are assessed against the Home as an Operating Expense. The Association may discontinue offering any particular Community Service and may modify or cancel existing contracts for Community Services, subject to the contract terms and any provision that may exist elsewhere in the Governing Documents requiring the Association to provide such Community Services. Until the Community Completion Date, each contract or modification or cancellation of such contract for Community Services entered into pursuant to this section must be approved by Declarant.

26.5.3 **Bulk Rate Contracts.** Any contract to provide Community Services and/or Community Systems may be a Bulk Rate Contract. Prior to the Community Completion Date, Declarant may enter into and assign to the Association Bulk Rate Contracts with Community Service Providers to provide Community Services and/or Community Systems. In addition, Bulk Rate Contracts may be entered into, modified or cancelled from time to time with any Community Service Providers and on such terms and provisions as the Board may determine in its sole and absolute discretion, except that, prior to the Community Completion Date, all such actions with respect to Bulk Rate Contracts must be approved by Declarant. The Association may include the charges and other

expenses of any Bulk Rate Contract as an Operating Expense of the Association and/or the Association may, at its option, add the charges payable with respect to any Owner or Lot under a Bulk Rate Contract to the Assessments charged against such Owner's Lot as Individual Assessments pursuant to Section 17.2.6 hereinabove. In this regard, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot, which is reserved under the terms and provisions of Section 20 of this Declaration. In addition, in the event of nonpayment by an Owner of any charges due under a Bulk Rate Contract and after the lapse of at least 12 days since such charges were due, the Association may, upon 5 days' prior written notice to such Owner (which may run concurrently with such 12 day period), in addition to all other rights and remedies available pursuant to applicable law, terminate, in such manner as the Board deems appropriate, any Community Services provided to such Owner or their Lot or Home at the cost of the Association and not paid for by such Owner (or the Lessee or other occupants of such Owner's Lot or Home) directly to the Community Service Provider. Such notice will consist of a separate mailing, hand delivery or other means of notice permitted under the Governing Documents and applicable law, including electronic notice, at least 5 days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address or website where the Owner (or the resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. Such rights of termination by the Association are in addition to any termination rights of the Community Service Provider under the Bulk Rate Contract, any individual contract between the Owner or Lessee and the Community Service Provider and the policies and procedures of the Community Service Provider.

26.5.4 **Interruptions in Community Systems and Services.** Each Owner acknowledges that interruptions in Community Systems and Community Services, including Telecommunication Services, will occur from time to time. Declarant and the Association shall not be liable for, and shall not be obligated to provide any person with any compensation, or refund, rebate, or offset any applicable fee or Assessments, as a result of any interruption in any such Community Systems and Community Services, regardless of whether or not such interruption is caused by reasons within the Association's or the Community Service Provider's control.

26.5.5 **Declarant and Association Rights Regarding Community Systems and Community Services.** The Declarant reserves for itself until the Community Completion Date and perpetually for the Association a right and easement over all of WINGATE LANDING to install and operate the Community Systems and to provide Community Services to serve any portion of WINGATE LANDING. Such reserved right includes, without limitation, the right to select and contract with companies licensed to provide Telecommunications Services and other Community Systems and Community Services as Community Service Providers and the right to charge, or authorize any such Community Service Provider to install and operate such Community Systems and provide such Community Services within WINGATE LANDING and to charge, individual users a

reasonable fee, not to exceed the maximum allowable charge for such service (as defined from time to time by applicable laws, rules, and regulations of any government authority having jurisdiction). Declarant shall also have the right to receive compensation from any provider of Community Systems or Community Services (including without limitation in connection with a Bulk Rate Contract), which compensation may be in consideration for, among other things, Declarant's or its affiliates' development or facilitation of development of Community Systems and Community Services and any marketing activities related to same.

27. Conservation Easements.

27.1 Establishment of Conservation Easements. The provisions of Section 704.06, Florida Statutes establish the right of the SJRWMD and/or the City (the "Easement Grantee") to accept easements for the preservation of the natural habitat (such easements shall be referred to herein as the "Conservation Easements"), including, without limitation, that certain Deed of Conservation Easement by Declarant in favor of the SJRWMD recorded December 12, 2022 in Official Records Book 20524, Page 354 of the Public Records. The easement areas for certain recorded Conservation Easements in favor of the SJRWMD, if any, are set forth on the Plat. There are no other Conservation Easements established by this Declaration; however, Declarant reserves unto itself and to the Association the right to grant such easements over and upon portions of the Common Area or Lots unto the Easement Grantee pursuant to the provisions of Section 704.06, Florida Statutes. Any Conservation Easements so granted shall be subject to the requirements of Section 704.06, Florida Statutes, and the following provisions. For the purposes of this Declaration, any portion of the Common Area encumbered by a Conservation Easement (including all portion thereof designated as "Conservation Area", "Wetland Buffer", "Upland Buffer" or similar term on the Plat) shall be referred to as the "Conservation Easement Property." All Conservation Easement Property will be dedicated or conveyed to the Association and will be maintained by the Association in accordance with the requirements of the SJRWMD, City, Permit and any applicable Conservation Easements.

27.2 Purpose. The purpose of a Conservation Easement is to assure that the Conservation Easement Property will be retained forever in its existing natural condition and to prevent any use of the Conservation Easement Property that will impair or interfere with the environmental value of the Conservation Easement Property. It is the further purpose of the Conservation Easement to prevent the construction and operation of docks, piers, boardwalks, or other preemptive structures that would extend through the Conservation Easement Property onto adjacent sovereignty submerged lands except as approved in the Permit (or any modification thereto) or any Management Plan attached to the Permit (the "Management Plan"). Those wetland and upland areas included in any Conservation Easement which are to be preserved, enhanced, restored, or created pursuant to the Permit (or any modification thereto) and the Management Plan which has been approved in writing by the SJRWMD, shall be retained and maintained in the preserved, enhanced, restored, or created condition required by the Permit (or any modification thereto).

27.3 Prohibited Acts and Uses. Except for activities that are permitted or required by the Permit (or any modification thereto) (which may include restoration, creation, enhancement, maintenance, and monitoring activities, or surface water management improvements) or other

activities described in the Conservation Easement or in the Management Plan, any activity on or use of the Conservation Easement Property inconsistent with the purpose of a Conservation Easement and Permit is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited (except as authorized or required by the Permit (or any modification thereof) or in a Management Plan which has been approved in writing by the SJRWMD):

27.3.1 constructing or placing buildings, roads, signs, billboards, or other advertising, utilities or other structures on or above the ground;

27.3.2 dumping or placing soil or other substances or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials;

27.3.3 removing, mowing, trimming or destroying trees, shrubs, or other vegetation except:

27.3.3.1 The removal of dead trees and shrubs or leaning trees that could cause damage property is authorized;

27.3.3.2 The destruction and removal of noxious, nuisance or exotic invasive plant species as listed on the most recent Florida Exotic Pest Plant Council's List of Invasive Species is authorized;

27.3.3.3 Activities authorized by the Permit or described in any Management Plan or otherwise approved in writing by the SJRWMD are authorized; and

27.3.3.4 Activities conducted in accordance with a wildfire mitigation plan developed with the Florida Forest Service that has been approved in writing by the SJRWMD are authorized. No later than thirty (30) days before commencing any activities to implement the approved wildfire mitigation plan, the owner of the Conservation Easement Property shall notify the Easement Grantee in writing of its intent to commence such activities. All such activities may only be completed during the time period for which the SJRWMD approved the plan.

27.3.4 excavating, dredging, or removing loam, peat, gravel, soil, rock, or other material substances in such a manner as to affect the surface, except as permitted by the SJRWMD Conservation Easement;

27.3.5 using the surface area of the Conservation Easement Property, except for purposes that permit the land or water area to remain predominantly in its natural, restored, enhanced or created condition;

27.3.6 activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, diking, clearing and fencing;

27.3.7 acting upon or using the Conservation Easement Property in a manner detrimental to such retention of land or water areas;

27.3.8 acting upon or using the Conservation Easement Property in a manner detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

27.4 Reserved Rights. The owner of record title to the Conservation Easement Property reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Property, including, without limitation, the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Property that are not expressly prohibited herein and are not inconsistent with the Conservation Easement or Permit (or any modifications thereto), and the Management Plan, and the intent and purposes of the Conservation Easement.

27.5 Public Access. No right or access by the general public to any portion of the WINGATE LANDING is conveyed by any Conservation Easement.

27.6 Rights of Easement Grantee. To accomplish the purposes stated herein, the owner of record title to the Conservation Easement Property shall, grant the following rights to the Easement Grantee and Declarant:

27.6.1 To enter upon the Conservation Easement Property at reasonable times with any necessary equipment or vehicles to inspect, determine compliance with the covenants and prohibitions contained in the Conservation Easement, and to enforce the rights therein granted in a manner that will not unreasonably interfere with the use and quiet enjoyment of the Conservation Easement Property by the owner thereof at the time of such entry; and

27.6.2 To proceed at law or in equity to enforce the provisions of the Conservation Easement and the covenants set forth therein, to prevent the occurrence of any of the prohibited activities set forth therein, and to require the restoration of such areas or features of the Conservation Easement Property that may be damaged by any activities or use that is inconsistent with the Conservation Easement.

27.7 Easement Grantee's Discretion. The Easement Grantee may enforce the terms of the Conservation Easement at its discretion, but if the Association, Declarant, or any Owner, breaches any term of the Conservation Easement and the Easement Grantee does not exercise its rights under the Conservation Easement, the Easement Grantee's forbearance shall not be construed to be a waiver by the Easement Grantee of such term, or of any subsequent breach of the same, or any other term of the Conservation Easement, or of any of the Easement Grantee's rights under the Conservation Easement. No delay or omission by the Easement Grantee in the exercise of any right or remedy upon any breach by the Association, Declarant or any Owner shall impair such right or remedy or be construed as a waiver. The Easement Grantee shall not be obligated to Declarant, or to any other person or entity, to enforce the provisions of the Conservation Easement.

27.8 Easement Grantee's Liability. The owner of the fee interest in the Conservation Easement Property shall retain all liability for any injury or damage to the person or property of third parties that may occur on the Conservation Easement Property. Neither Declarant, nor any Owner, nor any person or entity claiming by or through Declarant or any Owner, shall hold the Easement Grantee liable for any damage or injury to person or personal property that may occur on the Conservation Easement Property.

27.9 Riparian Rights. The Conservation Easement shall convey to Easement Grantee the grantor's riparian rights of ingress and egress for boat docks, piers, boardwalks, and other preemptive structures and activities associated with the Conservation Easement Property except as necessary to construct, use, and maintain the structures and activities, if any, approved in the Conservation Easement or Permit (or any modifications thereto) or Management Plan. The Owner of the affected Conservation Easement Property shall specifically reserve the right to conduct limited vegetation removal and clearing necessary for constructing boat docks, piers, boardwalks, and other preemptive structures and activities, if any, described in the Conservation Easement or Permit, (as applicable) (or any modifications thereto) or Management Plan. Such Owner shall minimize and avoid, to the fullest extent possible, impact to any wetland or buffer areas within the Conservation Easement Property. This reservation does not release the Grantor from the duty of obtaining any necessary SJRWMD, federal, state or local government permit authorizations or state-owned lands approved for construction of the structures.

27.10 Acts Beyond Declarant's or Association's Control. Nothing contained in the Conservation Easement shall be construed to entitle the Easement Grantee to bring any action against Declarant or the Association for any injury to or change in the Conservation Easement Property resulting from natural causes beyond Declarant's or the Association's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by Declarant or the Association under emergency conditions to prevent, abate, or mitigate significant injury to the Conservation Easement Property or to persons resulting from such causes.

27.11 Recordation. Declarant shall record any Conservation Easement in a timely fashion and Declarant and the owners of any Lots or Common Areas encumbered by a Conservation Easement shall re-record it by separate instrument at any time the Easement Grantee may require to preserve its rights. The owners of any Lots or Common Areas encumbered by a Conservation Easement shall pay all recording costs and taxes necessary to record the Conservation Easement. Declarant will hold the Easement Grantee harmless from any recording costs or taxes necessary to record the Conservation Easement.

27.12 Successors. The covenants, terms, conditions, and restrictions of the Conservation Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Property.

27.13 Restrictive Covenants Affecting Conservation Easements. No alteration of or encroachment into Conservation Easement Property shall occur unless approved by the City, SJRWMD or any other appropriate state or federal agencies with jurisdiction over same. No Owner or other person shall cut, remove, destroy, or otherwise disturb any plant, shrub, tree, or other vegetation within any Conservation Easement Property, nor shall any person, including, but

not limited to any Owner, Declarant and the Association, deposit dirt, fill, grass clippings, trash, rubbish, tree trimmings, building materials, or other waste within such easements, or grade, clear, fill or alter such Conservation Easement Property without the prior written consent (as evidenced by any required permit or other official certification) of the Association, Declarant, the City, and the SJRWMD or any other appropriate state or federal agencies with jurisdiction over same.

27.14 Conveyance to Association. In the future, Declarant may convey some or all of the Conservation Easement Property to the Association. Upon any such conveyance by Declarant of all or a portion of such Conservation Easement Property as aforesaid, Declarant shall be automatically released from any obligations and liability under the Conservation Easements arising from and after the date of such conveyance as to the portion of the Conservation Easement Property conveyed by Declarant; provided, however, that no such conveyances shall relieve Declarant from any obligations under the Permit unless and until the Permit (as applicable) is transferred to the Association. The registered agent for the Association shall maintain copies of all further permitting actions relating thereto for the benefit of the Association.

28. Dispute Resolution. This Section 28 is intended to encourage the resolution of certain disputes that may involve or affect the Association, its Members and/or WINGATE LANDING. Such disputes may create significant financial exposure for the Association and its Members, affect each Member's use and enjoyment of their Lot and the Common Areas, interfere with the resale and refinancing of Lots, and cause strife and tension among Members, the Board and the Association's management. Accordingly, this Section 28 requires transparency and, in certain circumstances, Owner participation. Transparency means that inspection reports concerning Common Areas related to a dispute are prepared by an independent, professional engineer free from improper influence, and Owners are informed in advance about certain disputes and proposed arrangements between the Association and a law firm or attorney who may represent the Association in the dispute. Owner participation means that in certain situations Owners will have an opportunity to participate in the decision-making process regarding whether the Association should pursue a claim and engage an attorney or law firm for that purpose.

28.1 Agreement to Resolve Disputes; Application; Definitions. The Association, Owners, the Declarant, all persons subject to this Declaration, and each person not otherwise subject to this Declaration who agrees to submit to this Section 28 by written instrument delivered to a Claimant (defined below), which may include, but is not limited to, a Builder, a general contractor, sub-contractor, or design professional (individually, a "Party" and collectively, the "Parties"), agree to encourage the amicable resolution of disputes covered by this Section 28 to avoid the costs of litigation and arbitration if at all possible. Accordingly, each Party, including, without limitation, each Owner by acceptance of a deed or other conveyance or ownership interest in their Lot, agrees to be subject to the requirements of this Section 28 and agrees that this Section 28 applies to all Claims (as defined below). The following words, when capitalized, have the following meanings:

"Claim" means any claim, cause of action, grievance or dispute:

- (i) arising out of or in any way relating to the rights and/or duties of the Association, the Board, the ARC, any other committee of the Association, or the Declarant under the Governing Documents;

- (ii) arising out of or in any way relating to the acts or omissions of the Association, the Board, any Board member, any officer of the Association, or any committee of the Association, including the ARC; any acts or omissions of the Declarant during the Declarant's control and administration of the Board or the ARC; or any exercise by Declarant of any rights of Declarant under the Governing Documents, including but not limited to any such claim, cause of action, grievance or dispute relating to budgets, Reserves, Assessments, contributions, funding of the Deficit, expenditures, claims of financial guarantees and other financial and accounting matters; or
- (iii) arising out of or in any way relating to the design, construction, operation, repair, alteration or maintenance, or warranty with respect thereto, of the Common Area or any improvements located thereon (a "**Common Area Claim**").

"**Claimant**" means any Party having a Claim under this Section 28 or a Home Construction Claim under Section 29 below against any other Party.

"**Respondent**" means any Party against which a Claim or Home Construction Claim has been or may be asserted by a Claimant.

Notwithstanding the foregoing, a Claim does not include and this Section 28 does not apply to (i) a claim by the Association for Assessments pursuant to Section 17 or imposition of fines by the Association pursuant to Section 20.6 or any action by the Association to collect such Assessments or fines, including interest, attorneys fees and costs, (ii) any action to enforce the easements, architectural control provisions, maintenance provisions, Architectural Guidelines, Use Restrictions or Rules and Regulations contained in this Declaration, the other Governing Documents or otherwise established by the Declarant, the Association, the Board, the ARC or any other committee of the Association, (iii) a claim for or related to injuries to or the death of a person, (iv) any election or recall dispute subject to mandatory binding arbitration by the Department of Business Regulation pursuant to Florida Statutes Section 720.311(1), or (v) any action or claim by the Community Declarant or Community association to enforce any obligation of any party under the Community Association Governing Documents or the Governing Documents or (iv) any claim, dispute action or proceeding between the Community Declarant and Declarant. Notwithstanding anything contained in this Section 28, any claim brought by an Owner related to the design or construction of a Home, a Lot or an improvement on a Lot will not be subject to this Section 28, but will be governed exclusively by the express or implied warranty provided by the Builder or contractor which constructed such Home or improvement and any other agreements between the Owner of such Lot (or its predecessor in title) and such Builder or contractor as well as Section 29 below and all applicable law, including Florida Statutes Section 558.

Notwithstanding any provision of this Section 28 to the contrary, Claims which are subject to presuit mediation pursuant to Florida Statutes Section 720.311(2)(a), including, without limitation, disputes between the Association and an Owner regarding use of or changes to a Lot, Tract, Parcel or Common Area, covenant enforcement disputes, disputes regarding amendments to the Governing Documents, disputes regarding meetings of the Board and committees appointed by the Board, Membership meetings (not including election meetings) and access to official records of the Association, shall comply with the procedures and requirements for such presuit

mediation set forth in Florida Statutes Section 720.311, including requirements for notice, designation and selection of the mediator and mediation procedures. If a Claimant sends a demand for presuit mediation pursuant to Florida Statutes Section 720.311 and a Respondent agrees to such presuit mediation, such mediation shall be conducted in accordance with the requirements of Florida Statutes Section 720.311 and shall be lieu of the mediation to be conducted pursuant to Section 28.5 below. If the Respondent does not agree to presuit mediation pursuant to Florida Statutes Section 720.311, such claim shall be subject to mandatory mediation pursuant to Section 28.5 below.

Notwithstanding any provision of this Section 28 to the contrary, with respect to any Claim by a Claimant that is subject to the requirements of Florida Statutes Chapter 558 applicable to "construction defects" as that term is defined in Florida Statutes Section 558.002(5), the Claimant and Respondent will comply with the requirements of Florida Statutes Chapter 558. Without limiting the generality of the foregoing, the Claimant and Respondents will comply with the provisions of Florida Statutes Chapter 558 regarding (i) notice of such Claim from Claimant to Respondent, (ii) Respondent's notice of such Claim to contractors, subcontractors, suppliers and design professionals who, in the opinion of Respondent, may be responsible for such construction defects, (iii) inspection and testing of the property and improvements that are subject to such Claim, (iv) response of the Respondent to Claimant with respect to such Claim, including any offer to remedy the construction defects or to compromise and settle such Claim or a response disputing such Claim. The Parties' compliance with the requirements of Florida Statutes Chapter 558 shall be in lieu of the otherwise applicable provisions of this Section 28 requiring notice of such Claim pursuant to Section 28.3 below, negotiation of such Claim pursuant to Section 28.4 below and mediation of such Claim pursuant to Section 28.5 below. In the event any Claim subject to Florida Statutes Chapter 558 is not resolved by the Parties pursuant to the procedures set forth in Florida Statutes Chapter 558, the Parties shall proceed to arbitration of such Claim pursuant to Section 28.6 below.

**28.2 Mandatory Procedures. A Claimant may not initiate, participate in or maintain any proceeding before any judge, jury, arbitrator or any judicial or administrative tribunal seeking redress or resolution of a Claim until the Claimant has complied with the applicable procedures of this Section 28. As provided in Section 28.5 below, all Claims not resolved through negotiation must be submitted to mediation. As provided in Section 28.6 below, all Claims not resolved through negotiation or mediation must be resolved by binding arbitration.**

**Informal Resolution of Claims**

The Parties are encouraged to informally communicate to amicably and efficiently resolve disputes. A Claimant is not required to follow the mandatory procedures in this Section 28 unless a Claim is not resolved and the Claimant desires to pursue a Claim and initiate a proceeding described in Section 28.2 above.

**Common Areas**

Prior to pursuing a Common Area Claim, the Association (or an Owner if allowed by the jurisdiction) must comply with the requirements of Section 28.9 below.

28.3 Notice of Claim. To pursue a Claim, a Claimant must send each Respondent written notice of the Claim (the “**Notice**”) stating plainly: (i) the nature of the Claim, including date, time, location, persons involved and Respondent’s role in the Claim; (ii) the basis of the Claim (i.e., the provision of the Governing Documents or other authority from which the Claim arises or which supports the Claim); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to Section 28.3 of this Declaration. If the Claim is a Common Area Claim, the Notice must also include a signed resolution of the Board confirming that Members holding a majority of the Voting Interests in the Association approved pursuing the Claim in accordance with Section 28.9.3 below. The Notice must be sent to each Respondent via certified mail, return receipt requested.

28.4 Negotiation. Within sixty (60) days after Respondent’s receipt of the Notice, Respondent and Claimant will meet at a mutually acceptable place and time in an effort to resolve the Claim by good faith negotiation. If the Claim involves or may affect any portion of WINGATE LANDING, then at such meeting or another mutually-agreeable time, Respondent and its representatives will be given access to, and the opportunity to inspect, such portions of WINGATE LANDING.

28.5 Mediation. If the Parties do not resolve the Claim through negotiation within one-hundred twenty (120) days after the date of the Notice (or within such other period as may be agreed on by the Parties), either Claimant or a Respondent may (i) with respect to any such Claim which is subject to mediation pursuant to Florida Statutes Section 720.311, demand mediation of such Claim pursuant to such Florida Statutes Section 720.311 or (ii) may submit the Claim to mediation pursuant to this Section 28.5 with the assistance of a mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and with expertise appropriate to the subject matter of the Claim. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, either Respondent or Claimant may initiate arbitration proceedings in accordance with Section 28.6.

28.6 Arbitration. All Claims not resolved through negotiation and mediation or the Chapter 558 statutory process must be resolved by binding arbitration as provided below. However, Claimant or Respondent may bring an action in court seeking injunctive relief to preserve the status quo and prevent irreparable harm, seeking relief that would otherwise be unavailable in arbitration, or to compel arbitration of any Claim not referred to arbitration as required by this Section 28.6. The parties acknowledge that Florida Statutes Section 720.311(2)(c) provides that the parties to dispute subject to presuit mediation under Florida Statutes Section 720.311 may elect to enter into binding or non-binding arbitration pursuant to the procedures set forth in Florida Statutes Section 718.1255, and that the parties may elect to proceed or not proceed with such arbitration in their sole discretion. If the Claimant and Respondent elect to enter into binding or non-binding arbitration pursuant to Florida Statutes Sections 720.311(2)(c) and 718.1255 with respect to any Claim, such arbitration will be conducted pursuant to such statutes in lieu of the arbitration to be

conducted pursuant to this Section 28.6. If the Claimant and Respondent do not elect to enter into arbitration pursuant to Florida Statutes Sections 720.311(2)(c) and 718.1255 with respect to their Claim, such Claim shall be resolved pursuant to arbitration as provided in this Section 28.6.

28.6.1 Governing Rules. If a Claim has not been resolved after mediation in accordance with Section 28.5 and is not submitted to arbitration by the parties pursuant to Florida Statutes Sections 720.311(2)(c) and 718.1255, the Claim will be resolved by binding arbitration pursuant to the Federal Arbitration Act (“FAA”) conducted in accordance with the applicable rules of the American Arbitration Association (“AAA”). If the Claim is a Common Area Claim, then those rules shall be the AAA’s Construction Industry Arbitration Rules and Mediation Procedures. The periods of limitation under applicable law shall apply to any Claim and arbitration proceeding under this Section 28.6. In the event of any inconsistency between the applicable AAA rules and this Section 28.6, this Section 28.6 will control. The decision rendered by the arbitrator shall be binding and, except as provided below, not subject to appeal, but may be reduced to judgment or enforced in any court having jurisdiction.

28.6.2 Award. To resolve Claims, the arbitrator may grant any remedy or relief the arbitrator deems just and equitable; provided, however, the arbitrator’s decision and award must be in accordance with applicable law and may not violate this Section 28.6 or Section 28.7 below. In each proceeding, the arbitrator shall make specific, written findings of fact and conclusions of law. IN NO EVENT MAY AN ARBITRATOR AWARD SPECULATIVE, CONSEQUENTIAL, INDIRECT, SPECIAL, EXEMPLARY, TREBLE OR PUNITIVE DAMAGES FOR ANY CLAIM. In addition to any right of appeal or review under the FAA or applicable AAA rules, any Party may appeal or seek vacation or modification of an award that is based in whole or in part on: (i) factual findings that have no legally or factually sufficient evidence, as those terms are defined under applicable law; (ii) conclusions of law that are erroneous; (iii) an error of applicable law; or (iv) a cause of action or remedy not expressly provided under applicable law.

28.6.3 Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days after the filing of the Claim for arbitration. Arbitration proceedings hereunder shall be conducted in the County. Any Party to a Claim shall have the right to join in the proceedings any contractor, subcontractor, supplier or design professional involved in the design or construction of improvements that are the subject of the Claim. Except as otherwise provided by this Section 28.6 or in Section 28.7, the arbitrator may impose sanctions and take other actions as the arbitrator deems necessary to the same extent a judge could do so pursuant to applicable law. Claimant and each Respondent agree to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by applicable law. Any such Claim involving the Association as a Party shall be deemed pending litigation which the Board and counsel representing the Association may discuss at meetings that are not open to Members pursuant to Florida Statutes 720.303(2)(a) and records relating to any such Claim may not be accessible to Members under Florida Statutes Section 720.303(5)(c)(1). In no event shall a Party discuss a Claim with the news media or issue a press release regarding a Claim without the written consent of all other Parties to the Claim.

28.7 Costs. Except as provided in the following sentence, each Party shall bear all of its own costs incurred in bringing or responding to a Claim or otherwise complying with the dispute resolution process contained in this Section 28, including without limitation its attorney's fees and costs, and none of such costs may be allocated or awarded to either Party by an arbitrator. If Claimant files an action in a court of law prior to complying with the applicable dispute resolution procedures in this Section 28, then Claimant shall reimburse the other Parties for the costs, including attorneys' fees, of dismissing or staying such action. Claimant and each Respondent will equally divide all expenses and fees charged by the mediator and arbitrator.

28.8 Funding Association Claims. If the Association intends to pursue a Claim and a reasonable estimate of the attorneys' fees, inspection costs, consultant and expert fees, arbitration fees and other costs that may be incurred as a result of prosecuting the Claim (whether incurred by the Association directly or for which the Association may be liable) exceeds \$10,000, then the Association must levy a Special Assessment to fund the estimated costs to pursue and resolve such Claim in accordance with this Section 28. The Association may not use its annual operating income or Reserves to fund the costs to pursue and resolve a Claim, but the Association may use a previously established and funded dispute resolution fund.

28.9 Claims Relating to Common Areas. As stated in Section 11 of the Articles, the Association does not have the power or right to institute, pursue, join, defend, intervene in or settle litigation, arbitration or other proceedings (i) in the name of or on behalf of an Owner (whether one or more) or (ii) pertaining to a claim relating to the design or construction of a Home, a Lot, or any improvements on a Lot (other than a Claim relating to portions of Lots constituting Common Areas). Each Owner, by accepting a deed, conveyance or other interest in or title to a Lot, irrevocably grants and assigns to the Association the exclusive right to institute, pursue, join, defend, intervene in and settle litigation, arbitration or other proceedings relating Common Area Claims. **IF THE ASSOCIATION DESIRES TO ASSERT A COMMON AREA CLAIM, AS A PRECONDITION TO PROVIDING THE NOTICE REQUIRED BY SECTION 28.3 AND INITIATING THE MANDATORY DISPUTE RESOLUTION PROCEDURES SET FORTH IN THIS SECTION 28, THE ASSOCIATION MUST COMPLY WITH SECTIONS 28.9.1, 28.9.2 AND 28.9.3 BELOW:**

28.9.1 Obtain a Common Area Report. The Association must obtain a written report (the "Common Area Report") prepared by an independent professional engineer licensed by the State in which WINGATE LANDING is located with an office located in the County (the "Inspection Company") assessing the condition of the Common Areas which are the subject of the Claim. *The requirements for the Common Area Report are intended to provide assurance to the Association, Owners and Respondents that such report was prepared by an independent professional and the substance, conclusions and recommendations contained in such report have not been affected by improper influences or influences that could have compromised the professional judgment of the party preparing such report.* The Common Area Report must include: (i) a description and photographs of the Common Area that is the subject of the Claim and its present condition; (ii) a description of any modifications, maintenance, or repairs to same performed by any party; and (iii) if the Common Area Report identifies deficient or defective conditions, a detailed description of any recommended corrective action, including modifications, maintenance, repairs, or replacement of any such Common Areas, including the specific

processes, procedures and materials required to correct such deficient or defective conditions, and the estimated costs to effect such corrective action. Such estimated corrective action costs shall be obtained from independent, third-party contractors, each with an office located in the County and holding all licenses required by applicable law to perform the recommended corrective action. The Common Area Report must be an "independent" report obtained directly by the Association, which means: (i) the Inspection Company may not have an arrangement or agreement to provide consulting and/or engineering services with a law firm or attorney that presently represents or proposes to represent the Association; (ii) the costs to prepare the Common Area Report must be paid directly by the Association to the Inspection Company at the time the Common Area Report is completed and delivered to the Association; and (iii) a law firm or attorney that presently represents or proposes to represent the Association may not have agreed, conditionally or unconditionally, to advance or reimburse the Association for the cost of the Common Area Report.

28.9.2 Provide Notice of the Defective Condition and Opportunity to Inspect and Repair or Correct. Within thirty (30) days after the Association receives the Common Area Report, the Association must send each Respondent a written notice of the Common Area Claim identifying in reasonable detail each deficient or defective condition in the Common Area that is the subject of the Claim, together with a complete copy of the Common Area Report and any other report, study, analysis and recommendation obtained by the Association relating to the Common Areas that are the subject of the Claim. Such notice must be sent to each Respondent via certified mail, return receipt requested, or via overnight delivery service with proof of delivery. From the date of receipt of such notice and for ninety (90) days thereafter, each Respondent shall have the right to: (a) inspect any condition identified in the Common Area Report as defective or deficient; (b) contact the Inspection Company for additional information needed to clarify any finding or statement in the Common Area Report; and (c) repair or correct any one or more of the conditions identified as being defective or deficient (if a Respondent commences the repair or correction of one or more conditions identified as being defective or deficient, the Respondent shall have the time reasonably necessary to complete such repair or correction). As provided in Section 10.7 above, the Declarant has an easement and right of entry throughout WINGATE LANDING for itself, its successors, assigns, architects, engineers, design professionals, each Builder and their contractors, subcontractors and suppliers that may be utilized to correct any such conditions identified in the Common Area Report. For Claims governed by Florida Statutes Section 558, the Claimant and each Respondent shall comply with the notice, inspection, testing, opportunity to remedy, repair or replace, settlement and other requirements of such Section 558 during the time from and after each Respondent's receipt of the notice described in this Section 28.9.2. Nothing in this Section 28 shall be construed to modify or extend the time periods set forth in Section 558 of the Florida Statutes.

28.9.3 Obtain Approval of Owners to Pursue Claim. The requirements related to Owner approval set forth herein are intended to ensure that Owners are fully informed of and approve the potential costs the Association and Owners may incur in prosecuting a Common Area Claim, the time that prosecuting such a Claim may take, and the financial and other effects that prosecuting such a Claim may have on the Association and its

Owners. Accordingly, the Association must obtain the approval of Members holding a majority of the Voting Interests entitled to be cast by all Members of the Association at a meeting of the Members called in accordance with the Bylaws to provide the Notice described in Section 28.3 above, initiate the mandatory dispute resolution procedures set forth in this Section 28, or take any other action to prosecute a Common Area Claim. The notice of such meeting must include (in addition to any requirements set forth in the Bylaws): (i) a description of the Common Area Claim, the relief sought, an estimate of the time it will take to prosecute the Claim and the likelihood of success; (ii) a copy of the Common Area Report; (iii) an estimate of the attorney fees, consultant fees, expert fees, arbitration fees and other costs that may be incurred as a result of prosecuting the Claim, whether incurred by the Association directly or for which the Association may be liable; (iv) a summary of the steps previously taken by the Association to resolve the Claim; (v) a statement that initiating arbitration or any legal action to resolve the Claim may affect the market value, marketability, or refinancing of a Lot while the Claim is being prosecuted; and (vi) a description of the manner in which the Association proposes to fund the cost of prosecuting the Claim. The notice required by this Section 28.9.3 must be prepared and signed by a person who is not the attorney or member of the law firm who represents or is proposed to represent the Association with respect to the Claim, or retained or employed by or otherwise affiliated with the law firm of the attorney who represents or is proposed to represent the Association with respect to the Claim. If the Members so approve pursuing the Common Area Claim at such meeting, Members holding a majority of the Voting Interest in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue pursuit of such Claim. The Membership approval requirements of this Section 28.9.3 are in addition to the Membership approval requirements for Association Claims or litigation involving amounts in excess of \$100,000 required by Florida Statutes Section 720.303(1).

If the Association desires to engage or execute an agreement with a law firm or attorney to investigate or prosecute a Common Area Claim, then the Members should be informed of, and have the opportunity to approve, the financial arrangements between the Association and the law firm or attorney proposed to be engaged for such Claim. Among other financial arrangements, the engagement agreement between the Association and the law firm or attorney could require the Association to pay fees and expenses to the law firm or attorney which will be paid through Assessments levied against Owners, or may require the Association to pay fees and expenses if the relationship between the Association and the law firm or attorney is terminated, if the Association elects not to engage the law firm or attorney to prosecute the Claim, or if the Association agrees to settle the Claim. Such financial obligations could have a significant effect on the Association and its Members. Accordingly, before the Association engages or executes an agreement with a law firm or attorney to investigate or prosecute a Common Area Claim, the law firm or attorney and the financial arrangements and agreements between the Association and the law firm or attorney (collectively, an “**Engagement Agreement**”) must be approved by Members holding a majority of the Voting Interests entitled to be cast by all Members of the Association at the meeting of the Members described in the preceding paragraph. In that case, the meeting notice to the Members must also include: (a) the name of the law firm and attorney; (b) a

copy of the Engagement Agreement; (c) an estimate of the fees and expenses that may be required to be paid by the Association under the Engagement Agreement; (d) the conditions upon which such fees and expenses may be required to be paid by the Association; and (e) a description of the process the law firm or attorney will use to evaluate the Claim and whether destructive testing will be required (i.e., the removal of portions of the Common Area or improvements in WINGATE LANDING). If destructive testing will be required or is likely to occur, the notice shall contain (i) a description of the destructive testing, (ii) the likely locations of the destructive testing, (iii) whether the Owners' use of their Lots or any Common Area will be interrupted or affected by such testing, (iv) the means or methods the Association will use to repair the Common Area or improvements affected by such testing, and (v) the estimated costs for such testing and repairs, along with an estimate of the Assessments that may be levied against the Owners to pay for the costs of such testing and repairs. Unless approved by the Members as provided above, the Association shall not have the authority to enter into, and shall not enter into, an Engagement Agreement with a law firm or attorney to investigate or prosecute a Common Area Claim. All Engagement Agreements must be in writing. Neither the Board nor any officer of the Association shall have the authority to pay any fees, expenses or other charges to a law firm or attorney relating to evaluating, investigating or asserting a Common Area Claim unless same is pursuant to a written Engagement Agreement approved by the Owners in accordance with this Section 28.9.

28.10 Claims by Owner(s) Relating to Common Areas. Pursuant to Section 28.9 above, an Owner does not have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Areas. In the event that a court of competent jurisdiction or arbitrator determines that an Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Areas, since a Claim affecting the Common Areas could affect all Owners, such Owner shall be required, as a precondition to providing the Notice defined in Section 28.3, initiating the mandatory dispute resolution procedures set forth in this Section 28, or taking any other action to prosecute such a Claim, to comply with the requirements of Sections 28.9.1, 28.9.2 and 28.9.3. Additionally, class action proceedings are prohibited, and no Owner shall be entitled to prosecute, participate, initiate, or join any litigation, arbitration or other proceedings as a class member or class representative in any such proceedings under this Declaration. Each Owner, by accepting a deed or conveyance of or other interest in any Lot thereby irrevocably waives any and all rights to prosecute, participate, initiate or join in any such class action proceedings.

28.11 Limitation on Amendment. Notwithstanding any provision of this Declaration to the contrary, this Section 28 may not be amended without the prior written consent of Declarant, which can be withheld in Declarant's sole discretion.

## 29. Home Construction Claims.

29.1 Claims Relating to Homes and Lots. **EACH OWNER (WHICH INCLUDES WITHOUT LIMITATION EACH SUBSEQUENT PURCHASER OF A LOT OR HOME),**

BY ACCEPTING AN INTEREST IN OR TITLE TO A LOT OR HOME, AGREES THAT ALL CLAIMS AND CAUSES OF ACTION THAT SUCH OWNER MAY HAVE RELATING TO THE ORIGINAL DESIGN OR CONSTRUCTION OF SUCH OWNER'S HOME, LOT, OR ANY IMPROVEMENT ON SUCH OWNER'S LOT (OTHER THAN COMMON AREAS ON ONE OR MORE LOTS), INCLUDING WITHOUT LIMITATION CLAIMS BASED ON ANY EXPRESS OR IMPLIED WARRANTIES (COLLECTIVELY, "HOME CONSTRUCTION CLAIMS"), WILL BE GOVERNED EXCLUSIVELY BY THE TERMS AND CONDITIONS OF THE EXPRESS OR IMPLIED WARRANTY PROVIDED BY DECLARANT, THE BUILDER OR CONTRACTOR (AS APPLICABLE) WHICH CONSTRUCTED SUCH HOME OR IMPROVEMENT AND ANY OTHER AGREEMENTS BETWEEN THE INITIAL PURCHASER OF SUCH HOME AND DECLARANT OR SUCH BUILDER OR CONTRACTOR (AS APPLICABLE), INCLUDING WITHOUT LIMITATION ALL PROCEDURES AND AGREEMENTS CONTAINED THEREIN PERTAINING TO THE RESOLUTION OF DISPUTES. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EACH OWNER (WHICH INCLUDES WITHOUT LIMITATION EACH SUBSEQUENT PURCHASER OF A LOT OR HOME), BY ACCEPTING AN INTEREST IN OR TITLE TO A LOT OR HOME, ASSUMES THE TERMS AND CONDITIONS OF THE EXPRESS OR IMPLIED WARRANTY PROVIDED BY DECLARANT OR THE BUILDER OR CONTRACTOR WHICH CONSTRUCTED THE HOME OR IMPROVEMENT, AND, UNLESS THE EXPRESS WARRANTY OR CONTRACT PROVIDED BY DECLARANT OR SUCH BUILDER OR CONTRACTOR CONTAINS OTHER PROCEDURES TO RESOLVE HOME CONSTRUCTION CLAIMS, SPECIFICALLY AGREES TO THE FOLLOWING:

29.1.1 Compliance with Florida Statutes Section 558. Notwithstanding any provision of this Section 29 to the contrary, with respect to any Home Construction Claim that is subject to the requirements of Florida Statutes Section 558 applicable to "construction defects" as that term is defined in Florida Statutes Section 558.002(5), the parties to such Home Construction Claim will comply with the requirements of Florida Statutes Section 558 before proceeding to arbitration in accordance with this Section 29. Without limiting the generality of the foregoing, such parties will comply with the provisions of Florida Statutes Section 558 regarding (i) notice of such Claim from Claimant to Respondent, (ii) Respondent's notice of such Claim to contractors, subcontractors, suppliers and design professionals who, in the opinion of Respondent, may be responsible for such construction defects, (iii) inspection and testing of the property and improvements that are subject to such Claim, (iv) response of the Respondent to Claimant with respect to such Claim, including any offer to remedy the construction defects or to compromise and settle such Claim or a response disputing such Claim. The Parties' compliance with the requirements of Florida Statutes Section 558 shall be in addition to the application provisions of this Section 29 requiring mandatory arbitration of such Home Construction Claim pursuant to this Section 29. In the event any Home Construction Claim subject to Florida Statutes Section 558 is not resolved by the Parties pursuant to the procedures set forth in Florida Statutes Section 558, the Parties shall proceed to arbitration of such Claim pursuant to this Section 29.

29.1.2 Agreement to Arbitrate Home Construction Claims. ALL HOME CONSTRUCTION CLAIMS THAT ARE NOT RESOLVED PURSUANT TO THE

PROCEDURES OUTLINED IN FLORIDA STATUTES SECTION 558 SHALL BE RESOLVED BY BINDING ARBITRATION. This means each Owner (which includes without limitation each subsequent purchaser of a Lot or Home) and the other parties involved in the Home Construction Claim GIVE UP THE RIGHT TO GO TO COURT OR TO A JURY to assert or defend Home Construction Claims (EXCEPT for matters that may be taken to SMALL CLAIMS COURT as provided below). Home Construction Claims will be determined by a NEUTRAL ARBITRATOR and NOT by a judge or jury. The parties to each Home Construction Claim will be entitled to a FAIR HEARING, but the arbitration procedures are simpler and more limited than the rules applicable in a court. The arbitrator's decision will be final and binding, subject to appeal as described below. Arbitrator decisions are as enforceable as any court order and are subject to very limited review by a court. For more information, read the provisions regarding arbitration below, review the American Arbitration Association's Home Construction Arbitration Rules and related information at [www.adr.org](http://www.adr.org), call the American Arbitration Association at 1-800-778-7879, and consult an attorney if you so choose. Alternatively, if the Home Construction Claim does not exceed the maximum jurisdictional amount for a small claims court in the State where the Lot or Home is located, a party involved in a Home Construction Claim may elect to have the claim resolved in a small claims court rather than by binding arbitration (however, any appeal of a small claims court judgment must be resolved through arbitration in accordance with this Section 29).

29.1.3 Applicable Law. The original construction and sale of each Home was a transaction involving interstate commerce. The Federal Arbitration Act (the "FAA") shall govern the interpretation and enforcement of this agreement to arbitrate Home Construction Claims. Even if a part or parts of these arbitration provisions is/are determined to be unenforceable under applicable law, the remainder shall survive, and the parties shall remain obligated to resolve Home Construction Claims through binding arbitration as set forth herein.

29.1.4 Arbitrator – American Arbitration Association. The arbitration shall be conducted before an arbitrator appointed by the American Arbitration Association (the "AAA"). If the AAA declines to arbitrate a Home Construction Claim, or if the AAA is not available, the parties will agree to an alternative arbitrator, or have a court appoint a new arbitrator who meets the qualification criteria of an AAA-trained arbitrator and has at least ten years of construction arbitration experience.

29.1.5 Arbitration Rules. The arbitration shall proceed in accordance with the AAA's Home Construction Arbitration Rules. If those rules have been repealed or replaced at the time the arbitration claim is filed, the AAA's rules then most applicable to residential construction shall apply. However, each Builder or contractor will be entitled to visually inspect and perform testing as to any component claimed to have a construction defect and no AAA rule shall apply if it is inconsistent with the provisions of this agreement.

29.1.6 Additional Parties or Claims. Each party to a Home Construction Claim may join as a party to the arbitration any third party consultant, contractor, supplier, manufacturer, engineer, architect or other professional involved in the manufacture, design or construction of any part of the Home, Lot or improvement on the Lot. Except as provided

above, each Home Construction Claim shall be between only the then Owner of a Home or Lot and the Declarant, Builder, contractor and other parties involved in manufacture, design or construction of any part of such Home or improvements on such Lot and shall not be joined or consolidated with the claims or arbitration of any other party, and the arbitrator is not authorized to permit any consolidation or joinder with any other party. Each Owner and subsequent purchaser of a Lot or Home, by acceptance of a deed or conveyance of or interest in such Lot or Home, irrevocably waives the right to institute or participate in a class or any other type of representative arbitration or any type of legal action as a member or representative of a class for any Home Construction Claim and agrees the arbitrator is not authorized to permit any class or representative arbitration.

29.1.7 Arbitration Process. A party seeking to resolve a Home Construction Claim shall begin the arbitration process by filing a demand for arbitration with the AAA and serving a copy of the demand on the other party. The failure to initiate arbitration at any particular time shall not be considered a waiver of the right to compel arbitration of a Home Construction Claim. The only way this right to arbitrate claims may be waived is by a written agreement among the parties. To the extent not inconsistent with the FAA, all provisions of this paragraph are subject to the general qualification that state laws, requirements and rules, including, but not limited to, state filing limitations (such as statute of limitations and statutes of repose), may affect how and when arbitration may be initiated and administered. The following is a brief description of the steps to initiate arbitration and the arbitration process:

29.1.7.1 Step 1 - Filing a Request. The party initiating arbitration must notify the AAA in writing of the request for arbitration under the terms of this Agreement. If a Builder or contractor initiates arbitration, such Builder or contractor will pay the AAA's filing fee. If an Owner (including a subsequent purchaser of a Lot) initiates arbitration, such Owner will pay the lesser of 1/2 of the AAA filing fee or the amount provided by the AAA rules and the Builder or contractor will pay the other 1/2 or remainder. All other AAA arbitration fees and costs shall be paid in accordance with the applicable AAA fee schedule.

29.1.7.2 Step 2-Hearing. The arbitration will be held at a location agreed to by the parties, usually in the metropolitan area where WINGATE LANDING is located. The hearing typically will be scheduled by the arbitrator at a time mutually agreeable to all parties. At the hearing, the arbitrator will hear and consider evidence presented by all parties. If a party timely notifies the AAA of a request for a record of the hearing prior to the earlier of the hearing date or the date in the AAA's rules, if specified, the arbitrator will preserve all evidence presented at the arbitration. Oral evidence will be preserved in a manner that it can be converted into a written transcript. The costs of the record will be paid by the party requesting the record or shared equally among the parties requesting a copy.

29.1.7.3 Step 3 - Award. The arbitrator's award will decide the relief to be awarded and, if requested by a party, the scope and manner of correction. The arbitrator's award shall be consistent with this agreement, based on applicable law (except to the extent the FAA overrides and preempts state, local or other law), and

shall include findings of fact and conclusions of law. If permitted by the AAA rules, either party may request a written explanation of the award. Each party shall bear its own attorney's fees and expenses (including without limitation the costs and fees of any expert witnesses) in the arbitration, any confirmation proceeding and any appeal. Arbitrator compensation, expenses, and administrative fees (which include filing and hearing fees) shall not be subject to reallocation.

29.1.7.4 Appeal. Each party shall have the right to appeal the arbitrator's award to the AAA by filing a written notice with the AAA (with a copy to the other party) within 30 days of the date of the arbitrator's award. The party appealing the award shall pay the fees necessary to initiate the appeal. If both sides appeal, the fees shall be split 50/50. The notice of appeal must include the specific items the party seeks to change in the award and the supporting facts and law. The appeal shall be heard by a panel of three arbitrators from the AAA. The appeal shall be conducted in accordance with the applicable rules of the AAA and this agreement as if the claim was being initially filed with the AAA, except that: (i) the only issues to be determined on appeal are the issues described in the notice of appeal and any issues raised by the non-appealing party in response to the issues in the notice of appeal, (ii) the arbitrators' award on appeal shall be final, binding and non-appealable, and (iii) no new evidence shall be accepted or considered by the arbitrators.

29.1.7.5 Award after Appeal. The award of the arbitrator shall be final, subject to appeal as provided above. If a notice of appeal from the initial hearing is not received by the AAA within 30 days after the date of the initial award, then the initial award shall be final. Once the award is final, it will be binding on and enforceable against the parties, except as modified, corrected, or vacated according to the applicable arbitration rules and procedures or to the extent not inconsistent with the FAA or applicable state law. Either party may present the final award to any court having jurisdiction over the Home Construction Claim to enter that award as a judgment of the court.

29.1.7.6 Step - Repairs. Unless designated otherwise in the award (and unless appealed), any party ordered to perform a correction to the Home or Lot will, within 10 days after a final award, elect to either perform the correction awarded by the arbitrator or, at such party's option, pay the Owner of the Home or Lot the reasonable cost of such correction. If such party elects to perform a correction under an award, such party will complete the correction within 60 days after a final award or as may be specified by the arbitrator. If the correction cannot be completed in that time, the arbitrator must grant reasonable additional time to make the correction. If the Owner believes that the correction was not performed satisfactorily or in a timely manner, such Owner may have those issues determined in a later arbitration. If the cost of correction is not specified in the award and party ordered to perform a correction elects to pay the Owner the reasonable cost of the correction, such Owner may have the amount of that payment reviewed in a later arbitration.

29.1.7.7 Expenses. Except as stated above, each party shall bear its own attorney's fees and other expenses incurred in connection with a Home Construction Claim. However, if a party to such a claim files a court action in violation of this Section 29 and the other party is required to compel arbitration by filing a motion with the court, the court shall award the moving party its court costs and reasonable attorneys' fees incurred in connection with the motion.

29.2 Limitation on Amendment. Notwithstanding any provision of this Declaration to the contrary, this Section 29 may not be amended without the prior written consent of Declarant, which can be withheld in Declarant's sole discretion.

**LIKE ALL COVENANTS CONTAINED IN THIS DECLARATION, THE AGREEMENTS CONTAINED IN THIS SECTION 29 ARE COVENANTS RUNNING WITH TITLE TO EACH LOT, CONCERN EACH LOT AND THE HOME AND OTHER IMPROVEMENTS ON SUCH LOT, AND SHALL BE BINDING UPON EACH SUCCESSIVE OWNER OF A LOT OR HOME (WHICH INCLUDES WITHOUT LIMITATION EACH SUBSEQUENT PURCHASER OF A LOT OR HOME).**

This Section may not be amended or modified without Declarant's written and acknowledged consent and the consent of Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, both of which must be part of the Recorded amendment instrument.

## 12. Amendment.

12.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to these Articles shall affect the rights of Declarant, unless such amendment receives the prior written consent of Declarant, which may be withheld for any reason whatsoever. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to these Articles, then the prior written consent of such entity or agency must also be obtained. No amendment shall be effective until it is recorded in the Public Records.

12.2 Amendments prior to the Turnover. Prior to the Turnover, but subject to the general restrictions on amendments set forth above, Declarant shall have the right to amend these Articles as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except to the extent limited by applicable law. Declarant's right to amend under this Section is to be construed as broadly as possible. In the event the Association shall desire to amend these Articles prior to the Turnover, the Association must first obtain Declarant's prior written consent to any proposed amendment. An amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records.

12.3 Amendments From and After the Turnover. After the Turnover, but subject to the general restrictions on amendments set forth above, these Articles may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the Members.

12.4 Compliance with HUD, FHA, VA, FNMA, GNMA and SJRWMD. Prior to the Turnover, the Declarant shall have the right to amend these Articles, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend these Articles, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party shall be required or necessary to any such amendments by the Board.

13.3 Bylaws. These Articles shall not be amended in a manner that conflicts with the Bylaws.

14. Officers. The Board shall elect a President, Vice President, Secretary, Treasurer, and as many Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board shall from time to time determine. The names and addresses of the Officers who shall serve until their successors are elected by the Board are as follows:

Secretary	Mark Roberts
Treasurer:	Mark Roberts

15. Indemnification of Officers and Directors. Association shall and does hereby indemnify and hold harmless every Director and every Officer, their heirs, executors and administrators, against all loss, cost and expenses reasonably incurred in connection with any action, suit or proceeding to which such Director or Officer may be made a party by reason of being or having been a Director or Officer of the Association, including reasonable attorneys' fees and paraprofessional fees at all levels of proceeding. This indemnification shall not apply to matters wherein the Director or Officer shall be finally adjudged in such action, suit or proceeding to be liable for or guilty of gross negligence or willful misconduct. **BYLAWS**  
**OF**  
**WINGATE LANDING HOMEOWNERS ASSOCIATION, INC.**  
**(A FLORIDA CORPORATION NOT FOR PROFIT)**

Exhibit "3" - 1

**BYLAWS**  
**OF**  
**WINGATE LANDING HOMEOWNERS ASSOCIATION, INC.**

1. **Name and Location.** The name of the corporation is WINGATE LANDING HOMEOWNERS ASSOCIATION, INC. (the "**Association**"). The principal office of the corporation shall be located at 4901 Vineland Road, Suite 500, Orlando, Florida 32811, or at such other location determined by the Board of Directors (the "**Board**") from time to time.

2. **Definitions.** The definitions contained in the COMMUNITY DECLARATION FOR WINGATE LANDING (the "**Declaration**") relating to the residential community known as WINGATE LANDING, recorded, or to be recorded, in the Public Records of Duval County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

"**Minutes**" shall mean the minutes of all Member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

"**Official Records**" shall mean all records required to be maintained by the Association pursuant to Section 720.303(4) of the Florida Statutes, as amended from time to time.

3. **Members.**

3.1 **Voting Interests.** Each Owner and the Declarant shall be a Member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a Member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to ten (10) votes per Lot owned, provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any Parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such Parcel owned by Declarant, until such time as the Parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 **Home Owned By Spouses.** Either spouse (but not both) may exercise the Voting Interest with respect to a Lot. In the event the spouses cannot agree, neither may exercise the Voting Interest.

3.1.2 **Trusts.** In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all

Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the Member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the Member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or facsimile, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the Members (the "Annual Members Meeting") shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the Members (a "Special Members Meeting") may be called by a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the Members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Notice of each Members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association in any manner permitted by the Florida Statutes applicable to same. A copy of the notice shall be mailed to each Member entitled to vote, postage prepaid, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days' notice will be deemed sufficient), unless otherwise required by Florida law. The notice shall be addressed to the Member's address last appearing on the books of the Association. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, the Board may adopt from time to time, other procedures for giving notice to the Members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each Member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by Declarant's presence, in person or by proxy, at any meeting. From and after the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the Members entitled to cast twenty percent (20%) of the total Voting Interests, subject to reduction as provided in Section 3.6 below. Notwithstanding any provision herein to the contrary, in the event that technology permits Members to participate in Member meetings and vote on matters electronically, then the Board shall have authority, without the joinder of any other party, to revise this provision to establish appropriate quorum requirements.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any Members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the Members present shall have power to adjourn the meeting and reschedule it on another date. If any such meeting is adjourned and rescheduled for failure to meet quorum requirements, the quorum requirement for the rescheduled meeting shall be one-half (1/2) of the quorum requirement for the adjourned meeting.

3.7 Action of Members. Decisions that require a vote of the Members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, Members may vote their Voting Interests in person or by proxy. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes, as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Every proxy shall be revocable prior to the meeting for which it is given.

3.9 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Members meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions

of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Board members appointed by Declarant need not be Members of the Association. Board members elected by Owners must be Members of the Association.

4.2 Pre-Turnover Director. Pursuant to Section 720.307(2), Florida Statutes Owners are entitled to elect one (1) member of the Board (the "Pre-Turnover Director") when fifty percent (50%) of all the Lots ultimately planned for WINGATE LANDING are conveyed to Owners. At such time as the Owners are entitled to elect a Pre-Turnover Director, the Association shall send a written notice to all Owners requesting nominations for same. If more than one nomination is received, the Association shall schedule a Special Members Meeting for the election of the Pre-Turnover Director in accordance with these Bylaws. If no Owners are willing to serve as a Pre-Turnover Director, a replacement Director shall be selected pursuant to Section 4.4 hereof to serve until the next Annual Members Meeting, at which time nominations will again be solicited for a Pre-Turnover Director to be elected in conjunction with the Annual Members Meeting. The term of the Pre-Turnover Director shall expire at the second (2<sup>nd</sup>) Annual Members Meeting after the election of the Pre-Turnover Director.

4.3 Term of Office. The term of office for the Pre-Turnover Director shall end on the Turnover Date. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the Members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. The candidate receiving the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director for one (1) year. At each Annual Members Meeting thereafter, the Members shall elect the appropriate number of Directors for a term of two (2) years. Each Director's respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Director appointed by Declarant shall extend until the date designated by Declarant, or until the Turnover Date).

4.4 Removal. Any vacancy created by the resignation or removal of a Board Member appointed by Declarant may be replaced by Declarant. Declarant may replace or remove any Board Member appointed by Declarant in Declarant's sole and absolute discretion. In the event of death or resignation of a Director elected by the Members, the remaining Directors may fill such vacancy. Directors may be removed with or without cause by the vote or agreement in writing of Members holding a majority of the Voting Interests.

4.5 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.6 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.7 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. From and after the Turnover, or such earlier date determined by Declarant in its sole and absolute discretion, the Members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for WINGATE LANDING out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

4.8 Election. Election to the Board shall be by secret written ballot, unless unanimously waived by all Members present. The persons receiving the most votes shall be elected. Cumulative voting is not permitted.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be action of the Board. Directors may attend meetings telephonically. When some or all Directors meet by telephone conference, those Directors attending by telephone conference shall be counted toward obtaining a quorum and may vote by telephone. A telephone speaker shall be utilized at the noticed location of the meeting so that the conversation of those Directors may be heard by the Board, as

well as any Member present at the meeting. Members may not attend Board meetings telephonically.

5.5 Open Meetings. Meetings of the Board shall be open to all Members except that meetings between the Board or a committee established by the Board and the Association's attorney to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to Members other than the Directors.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to Members in any other manner provided by Florida Statute. By way of example, and not of limitation, notice may be given in any newsletter distributed to the Members. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which annual budget of the Association will be approved or at which an Assessment will be levied must be provided to all Members at least fourteen (14) days before the meeting, which notice shall include a copy of the proposed budget and a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Board meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

## 6. Powers and Duties of the Board.

A Director who does not timely file the written certification or educational certificate shall be suspended from the Board until he or she complies with the requirement. The Board may temporarily fill the vacancy during the period of suspension.

6.4.3 The Association shall retain each Director's written certification or educational certificate for inspection by the Members for 5 years after the Director's election. However, the failure to have the written certification or educational certificate on file does not affect the validity of any Board action.

7. Obligations of the Association. Association, subject to the provisions of the Declaration, Articles, and these Bylaws shall discharge such duties as necessary to operate the Association pursuant to the Declaration, including, but not limited to, the following:

8.4 Special Appointment. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board may, from time to time, determine.

8.5 Resignation and Removal. Any officer may be removed from office, with or without cause, by the Board. Any officer may resign at any time by giving written notice to the Board. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein. Acceptance of such resignation shall not be necessary to make it effective.

11. Corporate Seal. Association shall have an impression seal in circular form.

12. Amendments.

12.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to these Bylaws shall affect the rights of Declarant unless such amendment receives the prior written consent of Declarant which may be withheld for any reason whatsoever. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to these Bylaws, then the prior written consent of such entity or agency must also be obtained. No amendment shall be effective until it is recorded in the Public Records.

Prior to the Turnover, Declarant shall have the right to amend these Bylaws as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as limited by applicable law. Thereafter, Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records.

12.3 Amendments From and After the Turnover. After the Turnover, but subject to the general restrictions on amendments set forth above, these Bylaws may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members. Notwithstanding the foregoing, these Bylaws may be amended after the Turnover by a majority of the Board acting alone to change the number of directors on the Board and their respective terms. Such change shall not require the approval of the Members. Any change in the number of directors shall not take effect until the next Annual Members Meeting.

12.4 Compliance with HUD, FHA, VA, FNMA, GNMA, SJRWMD. Prior to the Turnover, the Declarant shall have the right to amend these Bylaws, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD, or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover Date, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend these Bylaws, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SJRWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or

agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party, shall be required or necessary to any such amendments by the Board.

**"EXHIBIT A"**  
**CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 167149-2**  
**Wingate Landing**  
**DATED July 21, 2022**

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013) (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.
5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
  - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or

b. For all other activities — “As-Built Certification and Request for Conversion to Operation Phase” [Form 62-330.310(1)].

c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:

a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

b. Within 30 days of submittal of the as- built certification, the permittee shall submit “Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity” [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;

b. Convey to the permittee or create in the permittee any interest in real property;

c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or

d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the District in writing:

a. Immediately if any previously submitted information is discovered to be inaccurate; and

- b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
  14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850) 245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.
  15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
  16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
  17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
  18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
  19. This permit for construction will expire five years from the date of issuance.
  20. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
  21. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant

associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to [FWCConservationPlanningServices@MyFWC.com](mailto:FWCConservationPlanningServices@MyFWC.com).

22. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.
23. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1), "Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.
24. The permittee has documented its real property interest over the land upon which the activities subject to the application will be conducted as evidenced by a contract to purchase the real property included in the application. In accordance with Section 4.2.3.(d), ERP Applicant's Handbook, Volume I, work cannot begin until proof of ownership is provided to the Agency.
25. The proposed wetland impacts must be performed as indicated on plan sheets 7 and WET-1 received by the District on June 21, 2022.
26. Before the start of any construction, the permittee must provide the District with documentation demonstrating that 1.2 freshwater forested UMAM mitigation credits have been debited from the St Johns Mitigation Bank ledger.
27. In the event that the permittee does not successfully complete the transaction to obtain 1.2 freshwater forested UMAM mitigation credits from St Johns Mitigation Bank, the permittee must obtain a permit modification to provide alternative mitigation.
28. The project will require the natural vegetated upland buffer and construction/maintenance of Natural Conservation Area signage as shown on plan sheets 5A, 5C and 5D and detail sheet 13A received by the District on June 21, 2022.
29. The Surface Water Management System shall be constructed and operated as per plans received by the District on June 21, 2022.

### Notice Of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at [Clerk@sjrwmd.com](mailto:Clerk@sjrwmd.com), within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

### Notice Of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at [sjrwnd.com](http://sjrwnd.com). These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

### NOTICING INFORMATION

Please be advised that the St. Johns River Water Management District will not publish a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to [compliance.support@sjrwmd.com](mailto:compliance.support@sjrwmd.com) (preferred method) or send a copy of the original affidavit to:
